

HPA RULES & REGULATIONS FOR POLO 2018

Polo is a game that owes much of its unique appeal to the fact that it should be played not only within its rules but also within the spirit of the game. Any action which is seen to abuse this spirit causes injury to the game itself. The major responsibility for ensuring the spirit of fair play rests with the players. For reasons of simplicity the masculine gender is used to denote both masculine and feminine throughout the Rules.

Part 1: Game and Field Rules

Part 1 sets out the 'International Rules' for how the game should be played and aligns very closely with those of the AAP and USPA. The shading indicates that the rule is a change to the 2017 HPA rules or is different to the AAP or USPA rule.

Part 2: HPA Supplementary Rules and Regulations

Each country or association has different and additional rules for certain aspects such as membership, players and their equipment, substitution, tournament conditions, and pony welfare. The HPA's 'Supplementary Rules and Regulations' are set out in Part 2 and if they conflict have precedence over Part 1.

English Law. These Rules and Regulations shall be governed by English law and all matters relating thereto shall be subject to the exclusive jurisdiction of the High Court of Justice in England.

Liability. All affiliated clubs, associate members and persons who have agreed or are deemed to be subject to these Regulations acknowledge that neither the HPA nor any of its Stewards, officers, employees or agents nor any match or club officials shall be liable to them in respect of any loss or damage whatsoever which is or alleged to be occasioned by or to arise from any action taken or purportedly taken in pursuance of these Regulations or from any failure so to act even where the act or omission as the case may be shall have been negligent provided always that this shall not affect any liability of such persons in respect of personal injury occasioned by negligence.

PART 1: GAME AND FIELD RULES

SECTION 1 - PRELIMINARY RULES FOR THE GAME

1. FACILITIES AND ACCESS DURING PLAY. See Annex A.

- a. **Field of Play.** The field of play is the prepared area bounded by the side line or boards and the back line.
 - (i) **Full Size.** The measurements of a full size field of play shall be:
 - Length: 300 yards (275 meters)
 - Width 200 yards (180 meters) if unboarded and 160 yards (146 meters) if boarded.
 - (ii) **Minimum Size.** The minimum measurements for a field of play shall be:
 - Length 250 yards (230 meters)
 - Width 175 yards (160 meters) if unboarded and 145 yards (130 meters) if boarded.
- b. **Safety Zone.** The safety zone is the prepared area that extends beyond each end and along each side of the field of play. The safety zone should be marked and it is recommended to extend 10 yards beyond the side lines/boards and at least 30 yards beyond the back line and should be prepared to the same standard as the field of play. Any incident which occurs in the safety zone shall be treated as though it occurred on the field of play itself
- c. **Goals and Goal Line.** The goal posts shall be 8 yards (7.3 metres) apart (inside measurement) and centred at each end of the field of play. The goal line is that part of the back line between the two goal posts at either end of the field of play. The goal posts shall be at least 10 feet (3 metres) high, and light enough to give way if collided with.
- d. **Boards.** Boards, if used, shall not exceed 11 inches (28 cm) in height and shall be at least one inch thick. They may be curved at the ends of the field of play.
- e. **Ball.** The ball shall be 3 to 3.5 inches (76 to 89 millimetres) in diameter and within the limits of 4.25 to 4.75 ounces (120 to 135 grams).
- f. **Access during Play.** During play, the field of play and safety zone are restricted to the players, umpires and goal judges except that:
 - (i) A stick holder may enter the safety zone but not the field of play to hand over a stick to a player.
 - (ii) Players may change ponies in allocated box areas (marked out or imaginary) at any of the four corners of the field of play. They may not change in the safety zones between the two 30 yard lines.
 - (iii) Ponies may be ridden between the pony lines and the changing boxes within the safety zone during play providing that they are ridden in a sensible manner and at a safe speed.

2. PLAYERS.

- a. **Team.** A team is limited to 4 players on the field of play in all games.
- b. **Team Captain.** An on-field Team Captain must be nominated to the umpires at the beginning of the game and only he may speak with the umpires.
- c. **Right Hand Only.** The right hand only is to be used to hold the stick to hit the ball or hook another player's stick.
- d. **Leaving the Field.** A player may not leave the field of play during the course of a chukka without the permission of the umpires except to change a pony or a stick or for a legitimate run off.
- e. **Drink and Drugs.** No player may play in any match, practice game or chukka under the influence of alcohol or any illegal stimulant or drug.
- f. **Substitution.** If a match is about to start or has started and a player is late or unable to play through accident, sickness or duty, he may be replaced by a substitute. The substitute must be qualified to play in the tournament and the team must remain qualified after the substitution has been made. If the game is on handicap and a higher handicap player is qualified to play, **the goals awarded on handicap will be recalculated as if he had started the game.** It is the responsibility of the team to mount the substitute. Further substitution rules may apply for specific tournaments or in different countries.

3. PLAYERS EQUIPMENT

- a. No one shall be allowed to play polo unless they are wearing protective headgear with the chinstrap or harness correctly fastened.
- b. Polo boots and protective kneepads must always be worn during play.
- c. Any spur likely to wound a horse is not allowed.
- d. Any equipment that has sharp projections which might cause injury to another player or pony is forbidden.

- e. Goggles, elbow pads and gum shields are recommended.
- f. Team shirts must not be of black and white vertical stripes and must be numbered 1, 2, 3 and 4. The numbers should be no less than 9 inches high in contrasting colour on the back. If, in the opinion of the umpires or Tournament Committee, the colours of two competing teams are so alike as to lead to confusion, by mutual consent one team to change or by toss of coin to decide. The numbers on the team shirts must be 1 to 4 and not be duplicated.

4. PONIES.

- a. Ponies of any height may be played.
- b. A pony may not play if:
 - It has a contagious or infectious disease.
 - It is blind in an eye or is not under proper control or showing a vice so that is unsafe.
 - It is lame, showing any signs of distress or blood from any part unless it is superficial so that any bleeding can be stopped and a club official or the umpires are content.
 - It has any form of open tracheotomy (tubing) or has been de-nerved (chemically or surgically desensitized). If desensitized temporarily then it must not be played until full sensation has returned.
- c. Ponies must be protected by bandages or boots on all four legs and must have their tails put up. Ponies are expected to be well turned out and the following is not allowed:
 - Poor or badly fitted tack.
 - Blinkers or any form of noseband or other equipment which might obstruct the vision of the pony.
 - A noseband, headpiece or headcollar which incorporates wire or any sharp material.
 - Any equipment that has sharp projections which might cause injury to the pony or any other pony or player.
- d. **Shoes**
 - (i) Rimmed shoes may be worn but the rim must be on the inside of the shoe only.
 - (ii) A calkin or stud must be of less than 0.5 inches (13 mm) cubed or hexagonal, and must be fitted on the last inch (25mm) of the outside heel of the hind shoe. If a shoe has a calkin or fixed stud it must be balanced by a raised and feathered inside heel tapered for a minimum of 1.5 inches (40 mm). A non-slip plug or road plug may be fitted. A plug is sunken into the shoe by a farrier and is not to be confused with any form of stud. A removable stud, which is the type strongly recommended, should be removed before the pony leaves the grounds.
 - (iii) Frost nails, road studs, screws and fancy spikes or any protruding nails or sharp edges on a shoe are not allowed. A pony may be shod with a maximum of two road nails or non-slip nails per shoe in order that it may be exercised safely on the roads. Such nails must not be on the widest part of the shoe.
 - (iv) **The lateral extension or projection of a shoe must not be more than 5mm proud of the hoof wall**
 - (v) A pony may be played without all four shoes or without hind shoes. Should this lead to the pony not being under proper control so as to be a danger to itself or others then it should be ordered off by the umpires.

5. OFFICIALS. See Annex H to Part 2 for the guidelines for game officials.

- a. **Authority.** The rules shall normally be administered by two umpires and a referee whose authority will be absolute during and immediately before and after the game on matters regarding the conduct of play. Should any incident occur which is not provided for in the rules such incident or question shall be decided by the umpires unless they disagree in which case they should consult the referee. They will be assisted by goal judges and a timekeeper who may in turn be assisted by a scorer and assistant scorer.
- b. **Referee.** The referee (or third man) should be in an elevated and isolated position at the centre of the ground so that he has a good view and can concentrate on the play. He should not be drawn into conversation or use a mobile phone and must make his position known to the umpires before the game. He will adjudicate, when asked, if the umpires disagree in which event his decision will be final. If the referee is unable to make an informed judgement on the play, then he should rule 'No Foul'.
- c. **Umpires.** There will normally be two mounted umpires who have the duty to control the game according to the rules.
- d. **Goal Judges.** A goal judge shall be appointed for each goal. On occasion, two may be used at each goal. Each shall give testimony to the umpire at the latter's request as to the goals scored or other points of the game near the goal, but the umpire shall make the final decision.

- e. **Timekeeper.** A timekeeper shall be appointed in all games and is responsible for keeping the time for the intervals and the time played in each chukka. The timekeeper may also act as the scorer and assistant scorer.
- f. **Scorer.** The scorer will record the goals scored, noting if possible the name of the player scoring the goal, the time at which the goal was scored and the direction of play. He will instruct the assistant scorer to put up the score on the board being particularly careful to check that the correct team has been credited. At all times it is the scorer's figures that count.
- g. **Assistant Scorer.** The assistant scorer is responsible for preparing the scoreboard before the match, and updating goals scored and chukka numbers during the match. He should have communication with the scorer if they are not sitting together.

6. SPARE

SECTION 2 – COMMON TERMS, WINNING, GOALS ON HANDICAP AND SCORING GOALS, DURATION, START OF PLAY

7. **COMMON TERMS AND RULES.** Below is a list of the terms or rules commonly used in various rules with their meaning:
- a. **Foul.** A foul is defined as any infringement of the rules.
 - b. **States of Play.**
 - (i) **Ball in Play.** For a throw in, the ball is considered 'in play' the moment it has left the umpire's hand, and for a free hit the moment the player taking a free hit has either hit or hit at the ball if missed.
 - (ii) **Ball Out of Play.** The ball is 'out of play' if a goal has been scored or if it has gone over the back or side line or boards. A ball on the line is still in play. The whistle is not blown nor the clock stopped.
 - (iii) **Dead Ball.** The ball is 'dead' when the umpire blows his whistle or on the sound of the bell to end the chukka. The clock is stopped.
 - (iv) **Break in Play.** There is a 'break in play' when the ball is 'dead' or 'out of play'.
 - (v) **Neutral.** Play is considered to be 'neutral' when neither side has an advantage or is favoured.
 - c. **Throw-In.** Each team shall take up its position opposite the umpire on its own side of an imaginary line not less than 2 feet (60 cms) apart. No player shall be within 5 yards of the umpire who shall stand at the spot on the field of play as set out in the Rules and bowl the ball in underarm, low and hard between the opposing ranks of players. The players should remain stationary and have no contact with an opposing player until the ball has left the umpire's hand.
 - d. **Offside.** A player is offside if he enters the field of play from the side of the opposing team for a throw-in, penalty hit or hit-in. If offside, he may not make a play until he has passed a player of his own team who was correctly positioned at the time of the throw-in or hit. **For either a hit in or if no other member of his team is onside, a player shall be considered onside if he enters the field of play beyond his own 60 yard line.**
 - e. **Behind the Ball.** If a line is drawn through where the ball has been placed parallel to the back line, behind the ball is taken as that part of the field of play which is on that side of the team taking the hit.
8. **WINNING, GOALS ON HANDICAP AND SCORING GOALS.**
- a. **Winning.** The team with the most goals on the score sheet, including those awarded on handicap and from a Penalty 1 wins the game.
 - b. **Goals on Handicaps.** In all matches played under handicap conditions the difference between the totals of the two team handicaps shall be multiplied by the number of chukkas to be played in the game and then divided by 6 (the number of chukkas upon which handicaps are based). This will give the number of goals to be given to the team with the lower handicap. Any fraction of a goal shall be counted as 'half a goal'.
 - c. **Scoring Goals.** A goal is scored from play when the ball passes between the goal posts or the imaginary vertical lines produced by the inner surfaces of the goal posts and across and clear of the goal line. A ball hit through or directly over either goal post shall not count because it has not passed between the inner vertical lines of the goal posts. If the ball lodges in a goal post, the umpire will blow the whistle and the game shall continue as if the ball had been hit over the back line.
 - d. **Redress on Score.** Any change to the score as posted on the score board must be made before the final whistle.
 - e. **Undecided Goal.** If the two umpires are unable to decide as to whether a goal was scored or not, having consulted the goal judge(s), and if still in doubt the referee, they must give the benefit of the doubt to the defending team.
 - f. **Whistle Blown as Goal Scored.** When the whistle is blown for a foul at the same time that a goal is scored:

- (i) **No Foul.** If it is confirmed that there is 'No Foul' then the umpires will instruct the goal judge to wave his flag to signify a goal and the clock will be restarted at this point.
- (ii) **Foul by Defending Team.** If it is decided that the defending team have fouled, the goal will stand and the Umpires shall instruct the goal judge to wave his flag. The umpires then have the option of proceeding as normal or blowing the whistle again and restarting the game with an appropriate penalty.
- (iii) **Foul by Attacking Team.** If it is decided that the attacking team have fouled, the goal will not be awarded and the umpires shall restart the game with an appropriate penalty.

9. DURATION OF THE GAME.

- a. **Number of Chukkas.** The standard duration of a game shall be 6 chukkas, excluding extra time, but this may be varied by the Tournament Committee according to the level of the polo.
- b. **Intervals.** Intervals between chukkas will be 3 minutes with a 5 minute interval at half time and before extra time. In games of 5 chukkas, the half time interval shall be after the third chukka. A bell shall be rung at the end of these intervals as a signal to the umpires to restart play.

10. UNFINISHED GAME.

Once the game has started it shall be played to a finish unless stopped by the umpire or the host Tournament Committee for some unavoidable cause which prevents a finish the same day, normally weather. The responsibility rests with the umpires as to whether to stop the match or not, having consulted the team captains. It shall be resumed at the point at which it has stopped as to score, chukka and position of the ball at the earliest convenient time, to be decided upon by the host Tournament Committee. See also Part 2, Annex D, para 16 for recalculating the score if the game could not be completed.

11. DURATION OF CHUKKAS.

- a. **Normal Chukka.** Except for the final chukka or extra time, each chukka shall be a maximum of 7 1/2 minutes. After 7 minutes, the first bell will be rung to indicate that up to 30 seconds remain. If the ball is out of play when the bell is rung, the umpire will blow his whistle to end the chukka. Otherwise, after the first bell is sounded, the chukka will end when there is a break in play or when the second bell is rung. If a foul is awarded, the penalty shall be taken at the beginning of the next chukka.
- b. **Final Chukka.** In the final chukka, the game will end on the first sound of the 7 minute bell unless the teams are tied. If tied, play will continue until either a goal is scored or awarded or until the first sound of the second bell. If a whistle is blown for a penalty during the last 5 seconds of the last chukka, 5 seconds shall be allowed for the execution of any penalty. If 'no foul' is agreed, then play shall continue only for the time remaining when the whistle was blown.
- c. **Extra Time.** If a result is required and the score is still tied, the game will continue with an extra chukka. It will start where the previous chukka ended and shall be played until a goal is scored to determine the game (sudden death or golden goal) or the second bell is sounded as in Rule 11b above. If no goal is scored, teams change ends for any subsequent chukka of extra time and the game shall be re-started at a position corresponding to where the previous chukka ended. See also Part 2, Annex D, para for Widened Goals and para for Penalty Shoot Outs.
- d. **Stopping of the Clock.** The clock shall be stopped only if the umpire blows his whistle. If stopped, the clock shall be restarted when the ball is put back into play. Otherwise, play shall be continuous and the clock shall not be stopped.

12. START OF PLAY.

The timekeeper will sound the bell five minutes before the advertised time for the start of the match to alert the teams and officials. A captain shall be appointed for each team. The umpires should identify the captain before the start of the game. The two teams shall line up for a throw-in (see Rule 7c) along the centre line but at least 20 yards from the boards/side line.

13. SPARE.

SECTION 3 – INTERRUPTIONS AND RESTARTS AFTER BREAK IN PLAY

14. CHANGING ENDS.

- a. Ends shall be changed after every goal; play is restarted with a throw-in on the centre line unless a Penalty 1 has been awarded in which case the restart shall be with a Penalty 5b. The players shall be allowed a reasonable time, taken to be about 25 seconds, before the ball shall be thrown in or dropped for a penalty 5b.
- b. Ends shall also be changed

- (i) If no goal has been scored by half time.
- (ii) If the umpires have inadvertently permitted the teams to line up the wrong way, play will continue but if no goal has been scored by the end of the chukka, ends shall be changed and the game restarted at a position corresponding to where the previous chukka ended.
- (iii) For Extra Time (see Rule 11c).

Play is re-started at a position corresponding to where the previous chukka ended.

15. **ATTACKER HITS BEHIND (HIT OR KNOCK IN).** When the ball is hit over and clear of the back line by the attacking team it shall be a hit-in by the defending team from the spot where it crossed the back line, but at least 4 yards from the goal posts or boards. The ball will be placed by a goal judge clear of the back line by up to one foot within the field of play.
- a. None of the team facing the free hit shall be within 30 yards of the ball or in front of the 30 yard line until the ball is hit or hit at. In the case of any infringement or delay by the team facing the hit, a Penalty 5b shall be awarded.
 - b. The team taking the hit-in may place themselves where they choose. **Once the goal judge has placed the ball, the umpire will call "Play" and the hitter must play the ball within 10 seconds.** In case of delay the umpire shall blow the whistle and throw-in perpendicular to the back line from the spot where the hit-in should have been taken, with the team due to take the hit-in nearest to the goal.
16. **DEFENDER HITS BEHIND (SAFETY 60).** If the ball is hit over the back line by a defender directly or, having been hit by a defender, has then deflected either off his own pony, another defender's stick, a goal post or the boards, the umpire shall blow the whistle and award a Penalty 6 (Safety 60). However, if the ball deflects off any other player, or pony or the umpire before going behind it shall be a hit-in (Rule 15).
17. **BALL HIT OUT OF PLAY OVER THE BOARDS OR SIDE LINE.**
- a. **Between the Two 60 Yard Lines.** If the ball is hit over the boards or side lines by a player either directly or, having been hit, has then deflected off his own pony or the stick belonging to another member of his team, then the umpire without blowing his whistle (the clock is not stopped) will place the ball after a lapse of 8 seconds at least 5 yards inside the playing area opposite the point from where it went out and call "play". The striker, an opponent of the player who hit the ball out of play, must within 5 seconds hit the ball without re-placing it. His team mates may be in a position of their choosing. The players of the team opposing the hit should not be within 30 yards of the ball. Should an opponent be within 30 yards of the ball when the hit is taken then he has no play until the hitter has passed the ball or been challenged.
 - b. **By Defending Player Within the 60 Yard line at Either End.** If the ball is hit over the boards or side lines by a defending player within his 60 yard line either directly or, having been hit, has then deflected off his own pony or the stick belonging to another member of his team a similar rule will apply as in Rule 17a above except that the umpire will place the ball on the 60 yard line and 10 yards in from the boards or side line. The striker may hit the ball only once and may either pass the ball to a team mate who must be at least 30 yards away or he must shoot for goal.
- Should the umpires be unclear as to which team hit the ball out of play then there will be a throw in by the umpire who will stand with his back to the boards where the ball went out of play.
18. **RESTART AFTER INTERVAL BETWEEN CHUKKAS.** On play being resumed after an interval, the ball shall be put into play in the same manner and position in which it would have been had there been no interval unless ends have been changed in which case play is re-started at a position corresponding to where the previous chukka ended (Rule 14).
19. **RESTART WHEN THE BALL HAS NOT LEFT THE FIELD OF PLAY.** If for any reason other than for a foul leading to a penalty the game has to be stopped without the ball going out of play, it shall be re-started with a throw-in by the umpire from the spot where the ball was when the whistle was blown, facing the nearer side line, but at least 20 yards from the boards or side line and 10 yards from the back line.
20. **BURIED OR DAMAGED BALL.** If the ball is buried or trodden in so that the players are unable to move the ball, the umpire shall blow the whistle and restart the game with a throw-in. If the ball is damaged, the umpire shall stop the game when the play is neutral and replace the ball. A goal will be awarded if a player has managed to hit the larger part of the ball through the goal before the whistle was blown.
21. **LOST HELMET OR BROKEN EQUIPMENT.**
- a. If a player loses his helmet, the umpire shall stop play when neutral to enable the player to recover it.

- b. If an umpire considers that damaged or broken tack might pose a risk to any player or pony, he shall stop the game when the play is neutral. However, the game shall be stopped immediately in the interest of safety for tack which presents an immediate danger to any player or pony such as:
- Broken bit.
 - A broken rein if single or both if double.
 - Broken girth.
 - Trailing bandages.

The umpires may allow the player to rectify the fault immediately on the ground if it can be done quickly. Otherwise, the player must leave the field of play and play will be restarted as soon as the player has done so.

22. **DISMOUNTED PLAYER.** A player may not dismount without good reason and if dismounted may not hit the ball nor interfere in the game.
23. **INJURED OR FALLEN PLAYER.** If a player is injured or falls off, the Umpire shall stop the game immediately if the player or pony is in danger or, if not, when the play is neutral. A player must make every effort to retain hold of his pony. If injured, the team shall be granted a period not exceeding 10 minutes for the player to receive any medical assistance and, if unfit to continue, to produce a substitute within this time. In the case of a serious injury and upon medical advice the umpires may allow additional time. The umpire shall not wait for any other player who may not be present. If subsequently able to resume playing, the injured player may replace his substitute at the start of any chukka.
24. **INJURED, DISTRESSED, FALLEN OR FATIGUED PONY OR LOST SHOE.** The primary responsibility for the welfare of a pony lies with the player but the umpires also have a responsibility during play for the welfare of the ponies.
- a. During a break in play, or exceptionally during play, a player may inform the umpires that his pony is injured or distressed or the umpires may make their own assessment to this effect. In both cases, they should stop play immediately and examine the pony. If in their opinion:
- (i) The pony is visibly injured or distressed they should call "all may change". The pony in question must be led off the field or taken off by horse ambulance. Play will be restarted with a throw-in from where the ball was when the player with the injured pony has returned on another pony.
 - (ii) The pony is not visibly injured or is fatigued then they should instruct the player to change by leading the pony off the field by the shortest route and then to a changing box or area. No other player on his team may change. Play should be restarted as soon as he has left the field of play. The pony may be tagged or marked under supervision of the umpires so that it may not play again in the match.
- b. If a pony falls so that its shoulder touches the ground the umpires should stop play immediately and, if the player wishes to remount, ensure that it is trotted up and examined for soundness. If sound or if there is no evidence of injury, the player may remount or change ponies in accordance with Rule 24a(i) above.
- c. If a pony throws or skews a shoe the player may be allowed to change at the next break in play. Play will be restarted when the player returns.
25. **SPARE.**
26. **SPARE.**

SECTION 4 – PRECEDENCE AND PERSONAL FOULS

27. **CROSSING.** No player shall cross another player who has precedence except at such a distance that not the slightest risk of collision or danger to any player is involved.
28. **PRECEDENCE BETWEEN PLAYERS AND THE LINE OF THE BALL.** The line of the ball (LOB) is the extended path along which the ball has travelled or is travelling. This includes when it has been kicked by a pony or has hit a players or umpires pony or any other impediment on the field of play. If a player has a free hit but misses the ball, the LOB is taken as that direction in which the player was riding. The LOB is the reference for deciding precedence as between players. See **Annex B.**
- a. Two opposing players riding on the exact LOB and simultaneously making a play on each other, whether following or meeting, have precedence over all other players.
 - b. A player on the exact LOB with the ball on his off side, whether following or meeting, has precedence over any other players, except when meeting two players as above.
 - c. No player shall enter in front of the player on the LOB except at such a speed and distance that not the

slightest risk of collision or danger to any player is involved. If a player enters safely and gains control of the ball, an opponent must not ride into him from behind.

- d. When no player is on the exact LOB and two or more players ride in the same general direction, whether following or meeting, the player riding at the lesser angle to the LOB has precedence. If the players are at equal angles, the player that has the LOB on his off side has precedence.
 - e. Any player riding in the same direction as the ball is travelling or has travelled has precedence over any player or players riding from the opposite direction unless they are in accordance with 28a or b above.
 - f. No player will be considered to have precedence because he was the last to hit the ball if having hit the ball he has then deviated from the exact LOB.
 - g. During a throw-in, a precedence as between players will only be established when the ball leaves the line out, either direct from the throw by the umpire or if hit away by a player. Until such time, players may play the ball from any direction or angle providing they do so without creating danger or a risk of danger to themselves, other players or ponies.
 - h. A player shall not be entitled to play the ball on his nearside if he endangers another player who would otherwise have been able to make or attempt to make a legitimate play.
29. **POSSESSION OF THE BALL.** A player with possession is entitled to continue down the LOB to hit the ball on his offside unless he is subjected to a legitimate play.
- a. **Ball Deflected.** If one or more players are riding on the LOB with possession and for any reason the ball is unexpectedly deflected for a short distance, those players retain the right to play the ball if they are still able to do so without changing direction, and if not, then to continue on the original LOB for a short distance. They may not make a play on the ball if another player is established on the new LOB.
 - b. **Changing the LOB.**
 - (i) If a player suddenly changes the LOB towards, into or under an opposing player, that player must clear the new LOB and may not make a play; but the player in possession must allow the opposing player to do so. The player in possession will foul if he rides into him in order to claim a foul for himself.
 - (ii) A player in possession with the ball on his offside may move the ball at any angle to his left and a trailing opponent only has a nearside play.
 - c. **Hitting Past a Player.** If a player in possession hits the ball past an opposing player riding on the same line and at the same speed, that opposing player has the right to play the ball on his off side provided that he does not cross the player following. The player following must not ride into him from behind.
 - d. **Moving the Ball – One Tap Rule.** A player in possession of the ball when marked by an opposing player must keep moving the ball. Should he stop or reduce to a walk or walking speed he may tap the ball only once and thereafter he or any member of his team must within 5 seconds either hit the ball away or run with it. A player is considered to be marked when an opposing player is within two ponies' lengths of his own and the player in possession is neither being blocked nor ridden off and therefore has the freedom to continue down the LOB.
 - e. **Turning and Play on the Boards.** The first player to the ball may not turn in front of a player on the LOB but if the player following checks or reduces speed the first player may then turn the ball in either direction providing that he maintains speed and continues the play. If the play is on the boards, the player, once he has turned must keep going in his chosen direction.
30. **CARRYING THE BALL.** A player may not catch, kick, direct or hit the ball with anything but his stick. He may block with any part of his body but not with an open hand. He may not carry the ball intentionally. If the ball becomes lodged against a player, his pony or its equipment in such a way that it cannot be dropped immediately, the umpire shall blow his whistle and restart the game with a throw-in at the point where it was first carried.
31. **HOOKING.** No player may hook an opponent's stick unless on the same side of the opponent's pony as the ball, or in a direct line behind, and the stick is neither over, nor under, nor across any part of the opponent's pony, nor between a pony's legs. All of the stick of the player being hooked must be below his shoulder, he must be in the act of hitting the ball and his stick must not be hooked or struck with excessive force. An offside backhand stroke can be hooked during the wind up of the swing when the stick is behind the player but only on that part of the stick which is below the shoulder. However, the nearside backhand may not be hooked behind the player.
32. **RIDING OFF.** A player may ride off an opponent provided that the ponies are travelling at the same speed, are shoulder to shoulder and come together at a safe angle. When riding off, the elbow must be kept close to the side and a player may not push with the head, hand, arm, or elbow another player.

33. **BLOCKING.** When play is resumed with a hit after a break in play, it is not permitted for any member of the team taking the hit to ride off or block an opponent attempting to make a play on the hitter. If the ball is then left for a team mate following, the player leaving it may not then ride off or block an opponent attempting to make a play on the player who has been left the ball.
34. **DANGEROUS RIDING OR PLAY.** No player may ride or use his stick in a manner which creates danger to another pony, player, official or any other person or which places the welfare of his own pony at undue risk. The following are examples of what may be considered to be dangerous play and may lead to the umpires awarding a red or yellow flag in addition to any penalty:
- a. Riding off at such an angle as to endanger a player or a pony or unbalance the pony, or in front of or behind the saddle, or when the speed difference between both players could cause danger.
 - b. Continuing to ride off another player over the back line or through the goal thereby endangering a goal judge.
 - c. Riding his pony from behind into the forehand or backhand stroke of an opponent.
 - d. Zigzagging in front of another player in such a way as to cause the latter either to have to check his pace or risk a fall.
 - e. Pulling across another player, in front or behind, in such a manner as to risk danger to either pony.
 - f. Riding an opponent across another player on the line of the ball or in such a way as to endanger an umpire.
 - g. Riding off an opposing player at the same time as another member of his team (sandwiching).
 - h. Riding at an opponent in such a manner as to intimidate and cause the opponent to pull out or miss the stroke although no foul or cross actually occurs.
 - i. Use his stick improperly or dangerously, such as playing a full shot in a melee or ride off, especially under a pony's neck when being ridden off, swinging the stick in a windmill or helicopter fashion, or holding it in such a way as to interfere with another player or his pony.
35. **UNSPORTSMANLIKE CONDUCT.** No player, team or member of a team's organization may behave in a way which is inappropriate or risks bringing the game into disrepute. The following are examples of what may be considered to be unsportsmanlike conduct and may lead to the umpires awarding a red or yellow flag in addition to any penalty:
- a. Showing disrespect or using vulgar or abusive language or gestures to any official, player, coach, or spectator. This includes continuing to appeal or argue with the umpires or officials, verbally, by gesture or with a stick.
 - b. Seizing with the hand any part of another player or another player's pony or their equipment.
 - c. Striking another player or another player's pony with his stick, whip, hand or fist.
 - d. Unnecessarily causing delay that is unwarranted or advantageous to the player's own team before or during a game whether or not the ball is out of play or dead.
 - e. Feigning injury to a pony or as a player in order to get play stopped.
 - f. Refusing to continue to play or leaving the field of play during the course of a chukka without the permission of the umpires except to change a pony or a stick or for a legitimate run off.
 - g. Abuse of a pony such as using a whip when the ball is out of play, using a whip or spurs unnecessarily or in excess at any time, or hauling or jabbing a pony in the mouth.
 - h. Hitting the ball intentionally or recklessly beyond the safety zone or when it is out of play or dead, in such a way that it could cause injury to a spectator or official, or damage to property.
36. **SPARE.**

SECTION 5 – PENALTIES

37. **FOUL, NO FOUL AND ADVANTAGE RULE.** The umpires should stop play for a foul by blowing the whistle. If the umpires themselves agree after consultation that there was no foul, or the referee rules 'No Foul', the shall be a throw-in towards the nearest boards or side line from the spot where the ball was when the alleged foul took place. The umpires may elect not to blow the whistle or delay doing so if doing so results in a disadvantage to the team fouled
38. **TAKING OF PENALTY HITS.** For a penalty hit, once the umpire has dropped the ball, the team fouled must play the ball within a reasonable length of time which is considered to be in the region of 20 seconds.

39. **PENALTY 1.** If, in the opinion of the umpires, a player commits a dangerous or deliberate foul in the vicinity of goal in order to save a goal, the team fouled shall be awarded one goal. The game shall be resumed with a Penalty 5b in favour of the team fouled, ends having been changed.
40. **PENALTY 2 - SPOT OR 30 YARD HIT.** If the foul occurred within the 30 yard line the Captain of the team fouled shall be offered the choice of:
Either:
- a. a free hit (defended) from the spot where the foul occurred:
 - All of the team taking the hit to be positioned behind the ball. The player taking the hit has one free hit but thereafter may continue to hit the ball.
 - The team facing the hit may defend the hit but may not be within 30 yards of the ball or in front of their back line, nor enter the field of play through the goal posts.
- Or:*
- b. one free hit (undefended) 30 yards from the goal line of the team that has fouled opposite the centre of the goal:
 - All of the team taking the hit to be behind the 30 yard line. The player taking the hit may hit or hit at the ball only once and may not make another play. Should the ball fail to cross the goal or back line or rebound into play off a goal post the team facing the hit will be awarded a free hit from where the ball came to rest, as for a Penalty 5a. The ball may be moved outwards towards the boards or side line should a goal post interfere with the player taking the hit.
 - The team facing the hit has no play. They shall be positioned behind their back line and may not stand between the goal posts or behind the goal. They may not distract the player taking the penalty, including unintentionally, and must allow the ball to come to a rest.
41. **PENALTY 3 - 40 YARD HIT.** One free hit 40 yards from the goal line of the team that has fouled opposite the centre of the goal.
- a. All of the team taking the hit to be behind the 40 yard line. The free hit shall be taken in one stroke with the intent to score. If the player taking the hit mishits, misdirects or misses the ball, he or any member of his team may only hit or hit at the ball with a half shot, that is with the head of the stick starting the downward swing below the shoulder of the hitter, until the ball has been hit or hit at by a player of the team facing the hit.
 - b. All of the team facing the hit to be positioned behind their back line but outside of the goal until the ball is hit or hit at. Once the ball is put into play, no player of the team facing the hit may enter the field through the goal posts.
42. **PENALTY 4 – 60 YARD HIT.** One free hit by the team fouled from the centre of the 60 yard line nearest the goal of the team that has fouled.
- a. The team taking the hit to be free to place themselves where they choose. The free hit shall be taken in one stroke with the intent to score. If the player taking the hit mishits, misdirects or misses the ball, he or any member of his team may only hit or hit at the ball with a half shot, that is with the head of the stick starting the downward swing below the shoulder of the hitter, until the ball has been hit or hit at by a player of the team facing the hit. However, the stick may be raised above the shoulder to stop or re-direct the ball
 - b. All of the team facing the hit to be behind the 30 yard line until the ball is hit or hit at.
43. **PENALTY 5A – SPOT.** A Penalty 5a shall be a free hit from the spot where the ball was when the foul occurred, but at least 4 yards from the boards or side lines.
- a. The team taking the hit to be free to position themselves where they choose.
 - b. The team facing the hit to be 30 yards from the ball and not behind the ball.
44. **PENALTY 5B - CENTRE.** A Penalty 5b shall be a free hit from the centre of the field of play.
- a. The team taking the hit to be free to position themselves where they choose.
 - b. The team facing the hit to be 30 yards from the ball and not behind the ball.
45. **PENALTY 6 – SAFETY 60.** One free hit from a spot on the 60 yard line opposite where the ball crossed the back line, but no more than 40 yards out from the centre.
- a. The team taking the hit to be free to position themselves where they choose. The free hit shall be taken in one stroke with the intent to score as for a Penalty 3;
 - b. The team facing the hit to be behind the 30 yard line until the ball is hit or hit at.
46. **PENALTY 7A - INFRINGEMENT PENALTY RETAKEN.**
- a. **Infringement by Team Facing the Hit.** If the team facing the hit fails to carry out the correct procedure

and no goal has been scored or awarded, the penalty shall be re-taken. In the case of a Penalty 5, it should be moved up 30 yards. If the penalty hit would have resulted in a goal, but is stopped by a player of the team facing the hit and that team has failed to carry out the correct procedure a goal shall be awarded.

- b. Infringement by Both Teams.** If both teams fail to carry out the correct procedure the penalty shall be re-taken at the same point and under the same conditions.
- 47. PENALTY 7B – INFRINGEMENT PENALTY 5A - SPOT.** If the team taking the hit fails to carry out the correct procedure the team facing the hit shall be awarded a Penalty 5a from the spot where the penalty was due to be or was taken.
- 48. PENALTY 8 – THROW-IN.** The umpire shall throw the ball in towards the nearest boards from where ball was when the whistle was blown. For a throw-in for delay when taking a hit-in, see Rule 15b
- 49. PENALTY 9A – PONY SENT OFF FOR EQUIPMENT.** The pony shall be sent off the field of play and shall not be allowed to play again until the cause of the violation has been rectified. As soon as the pony has left the field the game shall resume immediately.
- 50. PENALTY 9B – PLAYER SENT OFF FOR EQUIPMENT.** The player shall be sent off the field of play and shall not be allowed to play again until the cause of the violation has been rectified. As soon as the player has left the field the game shall resume immediately.
- 51. AWARDING OF FLAGS.** In addition to any penalty awarded, a flag may be awarded to a player by the umpires. A flag may be awarded for the breach of any rule but will usually be awarded for dangerous play, unsportsmanlike conduct or persistent breach of the rules. The umpires must agree that a player should be awarded a flag and if not in agreement, consult with the referee. They must also obtain the acknowledgement of the player(s) awarded the flag and their team captain(s).
- a. Sin Bin.** A player may be sin binned (sent off) for 2 minutes for a first offence but if a player incurs 2 yellow flags within one match, that player will automatically be sin-binned for 2 minutes of play. The player shall return to the pony lines or a location as designated by the host club (the sin bin) where he will remain for two minutes of playing time; this includes the time when the ball is out of play but not when the ball is dead and the clock stopped. This may run across two chukkas. The referee or time keeper will fly a flag during this period and as soon as it is lowered the player may re-join the game in an on-side position. This may run across two chukkas or into the next match. If a match ends before the 2 minutes in the sin bin has finished, unless the HPA Disciplinary Officer decides otherwise, that player will start the next match on a yellow flag.
- b. Red Flag.**
- (i) A player may be given a red flag and sent off for the rest of the match for a first or second offence but a red flag will be automatic if he has already been sent off for 2 minutes and is awarded a further yellow flag in the same game. The sent off player may be substituted but only by a qualified player of the same handicap or less after 2 minutes of playing time as above.
 - (ii) A player will automatically be awarded a red flag if they have left the field or game without permission of the umpires.
 - (iii) Any player given a red flag will automatically be suspended for the next match of the tournament and the suspension may be increased by a Disciplinary Hearing. If it is the last match in the tournament, the suspension shall apply to another match or matches of equivalent standing as decided by the club or HPA as appropriate. A report form shall be completed by the umpires.
- c. Flag after the Game.** A player may be awarded a yellow or red flag after the final chukka has ended. A player awarded a yellow flag under these circumstances will start the next match on a yellow; if awarded a red flag, Rule 51b(iii) shall apply. A report form shall be completed by the umpires.

ANNEX B – DIAGRAMS

Two opposing players riding on the exact LOB and simultaneously making a play on each other, whether following or meeting, have precedence over all other players (Rule 28a).

Fig i

Red 4 and Blue 1 are on the exact LOB and have precedence over all other players. Red 2 has no play.

A player on the exact LOB with the ball on his off side, whether following or meeting, has precedence over any other players, except when meeting two players as above (Rule 28b).

Fig ii

Fig iii

Blue 1 is on the exact LOB and has the precedence over all other players except when meeting two players on the exact LOB as in Fig i

Any player riding in the same direction as the ball is travelling or has travelled has precedence over any player or players riding from the opposite direction unless they are in accordance with 28a or b above (Rule 28e) and on the exact line.

Fig iv

Blue 4 backs the ball to A. Blue 3 has precedence as he is travelling in the direction that the ball was hit and Red 2 is not on the exact line with the ball on his offside.

Fig v

Blue 2 has precedence as he is travelling in the same direction as the ball and Red 3 is not on the exact line. Red 3 may attempt to hook Blue 2's stick provided he does not cross or impede Blue 2 in any way.

Fig vi

Blue 3 and Red 2 have precedence as they are travelling in the same direction as the ball and Red 4 is not on the exact line.

When no player is on the exact LOB and two or more players ride in the same general direction, whether following or meeting, the player riding at the lesser angle to the LOB has precedence. If the players are at equal angles, the player that has the LOB on his off side has precedence (Rule 28d).

Fig vii

Blue 4 hits a backhander to A. Blue 2 has precedence over both Red players as he is at the narrowest angle

Fig viii
Blue 2 is at the narrowest angle and therefore has precedence over Red 1

Fig ix
Blue 4 hits backhand to A. Blue 2 and Red 3 appear to be at equal angles.
Blue 2 has the LOB on his offside and therefore has precedence over Red 3

Fig x
Blue 1 is at the narrowest angle and has precedence.
If Red 4 was considered to be approaching at an equal angle, Blue 1 would still have precedence because the LOB is on his offside.

No player will be considered to have precedence because he was the last to hit the ball if, having hit the ball, he has then deviated from the exact LOB (Rule 24f).

Fig xi
If Red 2 hits the ball under the neck to A but does not manage to stay on the exact LOB then the player at the narrowest angle has precedence which is Blue 4

PART 2: HPA SUPPLEMENTARY RULES AND REGULATIONS

SECTION 1 - PRELIMINARY RULES FOR THE GAME

2.1 **FACILITIES.** Sockets for widened goals should be placed 4 yards out from each goal post.

2.2 **PLAYERS.**

a. **Membership and Handicaps.**

- (i) No person may play in any match, organised game or club chukka at or conducted by an affiliated or provisionally affiliated club in the UK or Ireland unless they are a registered member of the HPA and have joined an affiliated or provisionally affiliated club and received a membership status confirmation email from the HPA. See **Annex A** for further details.
- (ii) To play in any match or tournament, a player must be registered as a member of the HPA with a handicap of -2 to 10. To play in the 22 goal, a player must hold a 22 goal handicap. Those players with a 22 goal handicap will be listed on the HPA website but any player may apply for a 22 goal handicap if they meet the conditions set out in **Annex B**.
- (iii) Chukka members may only play at clubs where they are a member. To be upgraded to a - 2 handicap a player must take and pass the Rules Test and having done so his club must inform the HPA when they consider that he is sufficiently experienced as a player to be awarded a -2 handicap. Only then will they be eligible to play in matches and tournaments.
- (iv) Any person who requires a handicap and who does not hold a current HPA handicap or has missed a season is required to submit a CV form which must be received by the HPA at least 3 working days before the player concerned is due to play in any match. The form must be signed by the player or his patron and a club official. The club handicap committee may include a recommendation on the form but until a handicap has been awarded by the HPA and the player has received a membership status confirmation email from the HPA, the player concerned may not play in any match or tournament. See **Annex B**. Any CV form that is found to be incorrect may result in disciplinary action being taken against the individual and/or club concerned and the team concerned being banned or disqualified from the tournament.
- (v) If a person wishes to play arena polo the same membership joining process will apply with no additional charge from the HPA.

b. **Tournament Conditions, Player Eligibility and Team Entries.** See **Annex C**.

c. **Tournament Format, Scheduling and Order of Merit.** See **Annex D**.

d. **Deemed Members.** If for any cause the membership formalities have not been completed, any person who plays in any match or practice chukkas at or conducted by an affiliated club in the UK or Ireland shall be deemed to be an associate member and as such subject in all matters to these Regulations, without prejudice to the requirements to complete the above.

e. **Use of Members' Details and Images.** The HPA may, for the purpose of promoting the game of polo generally or any particular polo tournament, use or consent to a sponsor or promoter using any non-confidential, biographical or historical details or any still or moving pictorial image of any club or associate member.

f. **Visiting Players.** Any associate HPA member visiting a club of which he is not a member will be subject to the same rules of discipline and behaviour that govern the membership of that club.

g. **Suspension.** Any player who has been suspended by another national association and where suspension has been notified to the HPA, will not be allowed to play in the UK or Ireland for the period of their suspension except with the permission of the Stewards.

h. **Banned Substances and Dope Testing of Players.** No player may play in any match, practice game or chukka under the influence of any illegal stimulant or drug, including any substance referred to in **Annex E** (Use of Banned Substances by Players). A player may not refuse to take a first or second drug or alcohol test if required to do so by any person duly authorised by the HPA or the Tournament Committee.

i. **Protective Headgear for Grooms and Stickholders.** Everyone, including grooms and stick holders, must wear protective headgear with the chinstrap or harness correctly fastened when riding at a polo ground. It is the responsibility of any employer to ensure that an employee whether full or part time does so.

j. **Doctors Certificate.**

- (i) A player will not be permitted to play again for a minimum of one week from the date of the concussion and then only with a certificate of fitness from a doctor who has seen the report from the club Safety Officer.

- (ii) A club may require, for whatever reason, a player to produce a signed doctor's certificate proving his fitness to play prior to him taking part in any match or chukka.
- k. **Insurance.** See **Annex F**. Note that anyone of over 2 goals or with 10 ponies or more is covered personally as a player for public liability but that his ponies are not covered by this insurance.
- l. **National and Representative Teams.** A representative team is a team that is, or purports to be, representing an official body or entity such as a club, association, city, county, country or geographical region. In the case of a club, the team must have the approval of the club. Any other representative team playing in the United Kingdom or Ireland must have the approval of the Stewards. In addition, any team representing UK or Ireland, or any part thereof overseas, must have approval of the Stewards. In every case, approval includes the livery of the team shirts and no team shirt may include the word 'England' without the consent of the Stewards.

m. **Unauthorised Polo Event.**

- (i) Polo Event means an event in the United Kingdom which involves the playing of polo in any format on any surface indoors or outdoors which in the opinion of the Chairman or the Chief Executive is not private chukkas or a purely private friendly match. No member of the HPA (which includes all individual members referred to in **Annex A**) shall participate in a Polo Event that is not at an affiliated or provisionally affiliated club unless either:-
- The HPA has agreed that a club affiliated to the HPA shall take overall responsibility for the conduct of the polo to be played at the event, or
 - The HPA has endorsed the event. Endorsement by the HPA will require the payment of a fee and the approval by the Chief Executive of the person engaged to oversee and be responsible for the polo and pony welfare aspects of the event. The fee will be determined by the Chief Executive having regard to the nature and size of the event, the extent of the administration to which the HPA will be put, the responsibilities involved and the fees payable by affiliated clubs for annual membership of the HPA.
- (ii) Endorsement by the HPA carries no assumption of responsibility or duty of care by the HPA to participants or any person connected with the event regarding the conduct of the event or the polo played in the course of it but HPA Regulations and Rules shall apply as if at an affiliated club. [This means that all players have to be members of the HPA, be of a certain handicap to play at certain levels, be properly umpired etc.]
- (iii) It is the responsibility of organisers and participants to ensure that there is in place adequate insurance to cover any injuries or liabilities which may be sustained or incurred as a result of their participation.
- (iv) Any member who plays or umpires in a Polo Event contrary to the above will not be covered by the HPA insurance or be eligible to apply for any form of assistance from the HPA or the Polo Charity in relation to that event. They are advised to check also that any insurance cover they might have is valid for such an event. They should also be aware that if the event brings the game into disrepute in any way then they may be subject to a charge of misconduct under these regulations for that reason, as well as for participating in the event in breach of this regulation. Any umpire will not be there be in any official capacity and therefore shall not wear any insignia or clothing that might indicate otherwise.

Note: Persons who are considering participating in an event at a venue which is not part of an affiliated club should contact the HPA to establish that the event is not unauthorised.

- n. **Debtors.** Accounts not paid within one month of invoice will be charged interest at 3% per month from the date of invoice.
- o. **Financial Commitments.** Associate Members of the HPA are expected to settle or procure settlement of all accounts arising in consequence of their involvement in playing Polo promptly in the ordinary course of business even though they may not be the actual legal creditor. Such accounts include, without limitation, agreed payments to players, farrier's charges, vets' charges, feed accounts, livery charges and transport. Accordingly, provided the matter is not the subject of an ongoing Court case or arbitration, where the HPA is informed that such accounts are outstanding the Chief Executive shall seek an explanation from the Associate Member. This will be passed to the Disciplinary Steward who shall cause to be convened a Disciplinary Enquiry if he considers the failure to settle the account(s) to be a Disciplinary Incident. Where a Court or arbitration process has found that an Associate Member or any company or entity with which he may be connected has avoided or delayed settling an account alleged to arise in connection with the Associate Member's involvement in playing polo, the Stewards shall impose without any enquiry an immediate and automatic suspension on the Associate Member concerned until the account has been settled or is being met in accordance with the directions of the

Court or arbitrator. The Associate Member concerned may apply in writing to the Disciplinary Steward to have his suspension lifted pending an appeal to the courts. The Stewards shall also be empowered to impose such an immediate and automatic suspension without enquiry where an Associate Member has admitted that an account arising in consequence of his involvement in playing polo is outstanding even though he may not be the legal creditor. Where an amount is outstanding for umpire fees the HPA may summarily suspend some or all members of the team or teams involved. Where an employer, manager or agent for a team fails to settle an account which is due in respect of services of any description arranged by or through the HPA or connected with any official permissions or visas allowing members of the team to play polo in the UK or for persons to work for the team in the UK, the HPA may without notice refuse to endorse any future application by or for such employer, manager, agent, member or persons in subsequent years.

- p. **Players' Contracts.** Stewards consider financial arrangements between players and patrons to be a civil contract and would not expect to get involved unless they were concerned that the dealings of either party were either prejudicial to the good order of the HPA or the game of polo, or all parties concerned, including the HPA, were in agreement that they should do so.
- q. **Jurisdiction over Past Members.** See Part 3 Para 11.
- r. **Ineligibility for Membership.** See Part 3 Para 12.
- s. **Employers Liability.** It is the responsibility of the employer of a person working for or playing in their team ('employee') to procure that employees conduct themselves appropriately when attending a polo event. An employer may be found in breach of this Regulation and subjected to a fine if the HPA is satisfied an employee (whether or not individually identified and/or found in breach himself) has engaged in any violent or improper manner in relation to people or ponies. Where the employer is a company, the person in breach and made subject to fine shall be the individual who in the opinion of the HPA is de facto in charge of the team.
- t. **Polo Ground.** The polo ground is taken to be the enclosed area which includes the field(s) of play, the clubhouse or similar facility, the pony lines, horsebox park and any practice areas of an affiliated or provisionally affiliated club or the private grounds being used by such clubs for any chukkas or games played under HPA rules by HPA members.
- u. **Betting.** There is no organised betting allowed in polo and a member may not knowingly permit any member of his family, or anyone directly connected in any way to his polo to become involved in such betting.
- v. **Misconduct.** Misconduct means conduct, wherever it may take place, which in the opinion of a Board is prejudicial to the interests and good order or reputation of the HPA or the game of polo and may include, without limitations, repeated, persistent or serious breach of the HPA's playing or other Rules or Regulations or Directives, from time to time in force, or is otherwise unsporting (Part 3 Para 1m).
- w. **Social Media.** The use of social media to denigrate or abuse the game, other players or officials may be deemed to be misconduct.
- x. **Trophies.** The Captain of a team winning any challenge cup or trophy is expected to insure it and have the name of the team and of its members engraved in line with the previous engraving at his own expense.

2.3 PLAYERS EQUIPMENT.

- a. **Helmets.** Polo helmets must always be worn during play and must be type approved to the standard PAS015:2011 or PAS015:1998 with CE mark (type approval must be performed by a UK headquartered Notified Body for Personal Protective Equipment), SNELL E2001, VG1 01.040 2014-12, or UTAC/CRITT 04/2015 and any newer version of an Approved standard.
- b. **Spurs.** Any spur likely to wound a horse is not allowed. Spurs, including any rowel, must be blunt with the shank of no more than 1.25 inches (3 cm) pointing downwards and to the rear.

2.4 PONIES AND PONY WELFARE. See also the HPA booklet 'Polo Pony Welfare Guidelines'.

- a. **Pony Welfare and Ownership.** The ultimate responsibility for care and welfare of a pony rests at all times with the owner who must take all responsible steps to ensure the welfare of their ponies, including during the winter months. See also HPA booklet 'Polo Pony Welfare Guidelines'. 'Owner' shall mean the individual or individuals whom the Disciplinary Committee is satisfied in fact enjoy the rights, privileges and powers incidental to ownership. This includes, without limitation, the power to make decisions concerning the care and welfare of the animal, whether such individual(s) had any legal status as owner or not. In the case of hirelings, a member of the HPA involved in the hiring of ponies has the

responsibility of 'owner' until the pony or ponies concerned have been handed over officially to another member of the HPA or his agent.

- b. Tack.**
- (i) A hackamore or bitless bridle may only be used in practice chukkas at the discretion of the club.
 - (ii) Any bit, whether single or double, with the mouthpiece of less than 0.25 inch (6.50 mm) in diameter at its narrowest point or a curb bit with a cheek length of more than 6 inches (15.2cms) is not permitted.
 - (iii) A tongue tie unless inspected by a MRCVS immediately prior to the chukka. The tongue tie must be removed as soon as the pony leaves the field of play.
- c. Restrictions on Ponies.** In high and medium goal tournaments, a pony played by one team cannot be played by any other team in the same tournament. This rule also applies to intermediate tournaments except that dispensation may be granted by the Tournament Committee.
- d. Old Ponies.** Owners of old ponies aged 16 or over are advised to have a heart and eye test done by a MRCVS at the start of each season.
- e. Limit of Time Played and Chukkas.** In the normal duration of a match, a pony must not play for more than 71/2 minutes without a 10 minute break or 15 minutes in total. Should a match go to extra time then a pony that has played two chukkas may be played for as much time as the extra chukka lasts providing it has had a break of at least ten minutes. A pony must not play more than three full chukkas or the equivalent time in any one day or at more than two locations.
- f. Umpire Ponies.** A pony that has played in a match at 8 goal level or below may be used as an umpire pony if it has had a break of at least one chukka or vice versa. Above 8 goal, any pony that has played in a match should not subsequently be used as an umpire pony or vice versa.
- g. Inspection of Ponies.** The Chairman of the Welfare Committee may ask a MRCVS, a member of the Polo Pony Welfare Committee or any other suitable person to inspect ponies belonging to an associate member or affiliated club, whether on a polo ground, in a yard or turned out. If it is considered that the inspection was warranted and that the welfare of a pony or ponies is or has been put at risk then the owner shall be charged for the costs of any such visit. If the associate member or club refuse permission for the inspection, which may be carried out at short notice, they will be reported to the Stewards. The Chairman of the Welfare Committee may refer any club or associate member direct to the Stewards for a Disciplinary Hearing.
- h. Complaints.** If a complaint is received, whether from the general public, a veterinary surgeon, a club official, an officer of any other horse welfare body or from a member of the Welfare Committee, a Report Form should be completed and sent to the Chairman of the Committee and the club concerned. The Chairman will liaise with the club concerned as to the action to be taken; if it is necessary for an inspection to be made with a MRCVS his cost will be borne by the club concerned. A Club Disciplinary Committee is obliged to hold a Hearing (see Part 3) if they receive a report from a current MRCVS concerning abuse or cruelty to any pony. A report of that hearing must be sent to the Welfare Committee Chairman.
- i. Use of Non-Members of the RCVS.** The 1966 Veterinary Surgeons Act lays down that within the UK any activity described as 'veterinary surgery' can only be carried out by veterinary surgeons who are current members of the RCVS or FRC except that a veterinary surgeon on occasion may delegate some veterinary tasks, such as minor surgery or medical procedures, in particular, to a registered veterinary nurse. Any member or club that allows an individual who is not an MRCVS to carry out any veterinary surgery, except as above, on a pony may be liable to a charge of misconduct.
- j. Medication.**
- (i) **Permitted Medication.** The administration to a pony of any drug or substance that is not a normal constituent of horse feed is prohibited with the exception of those listed below as permitted medication subject to their always being prescribed and administered within the manufacturers' recommendations and therapeutic guidelines and within HPA rules:
 - Non-Steroidal Anti-inflammatory Drugs (NSAIDs) (e.g. 'bute')
 - Corticosteroids
 - Diuretics
 - Clenbuterol (e.g. Ventipulmin®)
 - Dembrexine (e.g. Sputolosin®)
 - Isoxsuprine (e.g. Navilox®)
 - Altrenogest (e.g. Regu-mate®)
 - Cemetidine (e.g. Tagamet®)
 - Ranitidine (e.g. Zantac®)
 - Omeprazole (e.g. Gastrogard®)
 - Antibiotics and anti-fungals (except procaine penicillin)

- (ii) **Medication at Polo.** A pony which has been medicated by any route (by injection or ingestion) at polo may not play thereafter that same day. The only exception is if a minor and unobtrusive injury or wound is treated or repaired that will not affect its performance and the pony is then passed fit to play by a MRCVS.
 - (iii) **Testing.** Both random and specific tests will be arranged by the HPA and the clubs as considered necessary. The services of the Horse Racing Forensic Laboratory (HFL) will be used. If the result of a test on a sample of a pony's blood shows the presence of a substance above the permitted level, a report form must be completed and copies sent to the player, the owner of the pony, their club and to the Chairman of the Welfare Committee. The club may be directed by the HPA to hold a disciplinary hearing. In any case, members are required to cooperate with the HPA in producing any evidence relevant to any such enquiry by the club or the HPA when requested to do so.
- k. Equine Passports.** By law:
- (i) All ponies must have a valid Equine Passport which contains an 'Administration of Medicinal Products' section (formerly Section IX, now Section II) that has been issued by and is registered with an approved EU Passport Issuing Organisation (PIO) such as the HPA.
 - (ii) All ponies issued with an Equine Passport after July 2009 are required to must be microchipped.
 - (iii) All ponies taken to play at any club or in any tournament must be accompanied by a valid Equine Passport.
 - (iv) Equine Passports for foals and newly imported ponies may be obtained from the HPA. Passports must be registered in the name of the correct owner and must be re-registered accordingly when ponies change hands.
- l. Vaccinations against Equine Influenza for 2018.** All ponies must have been vaccinated against Equine Influenza:
- Either** by a veterinary surgeon who is a member or fellow of the Royal College of Veterinary Surgeons (RCVS);
- Or**, if vaccinated outside the UK, by a veterinarian licensed to practice in the country in which the horse was vaccinated.
- and from 1st January 2018 it is mandatory for annual booster vaccinations to be given:**
- Either** within 365 days of the previous vaccination;
- Or** in a calendar window of March and April but only for ponies with a current up-to-date vaccination record (as per below) on 1st March (see Note).
- (i) Vaccinations must be recorded in each pony's passport, dated, signed and stamped by the administering veterinary surgeon. Equine Influenza vaccinations administered to ponies outside the EU and recorded, dated, signed and stamped in an identity document that indisputably corresponds to the pony in question by an appropriately licensed veterinarian will be recognised by the HPA.
 - (ii) Ponies first vaccinated prior to 1 Jan 2014. The Equine Passports of ponies first vaccinated against Equine Influenza prior to 1st January 2014 must show that they have received booster vaccinations annually from the year they received their first vaccination.
 - (iii) Ponies first vaccinated between 1 Jan 2014 to 1 Jan 2016. The Equine Passports of ponies first vaccinated against Equine Influenza between 1 January 2014 and 1 January 2016 must show that they have received two primary vaccinations against Equine Influenza given no less than 21 days and no more than 92 days apart. Thereafter, they must have been given booster injections annually.
 - (iv) Ponies first vaccinated after 1 Jan 2016. The Equine Passports of ponies first vaccinated against Equine Influenza after 1 January 2016 must show that they have received two primary vaccinations against Equine Influenza given no less than 21 days and no more than 92 days apart, plus a third booster within 90 to 215 days after the second vaccination. Thereafter, they must have been given booster injections annually.
 - (v) Ponies without a valid vaccination record. Ponies with no recorded previous vaccination history and ponies whose vaccination record does not comply as per the above must re-start a primary vaccination course as per (iii) above, two primary vaccinations, a third booster and thereafter booster injections annually.
 - (vi) **Playing Restrictions.** No polo pony will be allowed to play at a club or in a tournament until at least 7 days after they have received their second primary vaccination or their annual booster.
- Note:** Mixing of large numbers of ponies during the polo season increases the risk of exposure to the influenza virus and immunity has been demonstrated to be strongest during the first 6 months after a booster vaccination.

- m. **Contagious or Infectious Diseases.** Any pony owner, stable manager or polo club that has a suspected case of a contagious disease such as ringworm or an infectious disease such as strangles or equine herpes must inform the HPA immediately with details of the action being taken. No infected pony or others in contact will be brought to a polo ground until clearance is given by a MRCVS.
- n. **Shoes and Shoeing.** The Farriers' Registration Act of 1975 states that any person who shoes a horse, including their own, must be a farrier registered with the Farriers Registration Council. Any member or club that allows an individual who is not registered with the Farriers Registration Council to shoe a pony may be liable to a charge of misconduct.
- o. **Water at Polo.** Water should not be withheld for an extended period and should be offered to ponies after they have played.
- p. **Muzzles.** Muzzles should only be used for short periods to prevent a pony from feeding. They must not be adapted in any way to reduce the ability to breathe or drink.

2.5 **CLUBS.** The HPA is an affiliation of clubs and the 'Responsibilities of a Club' are set out in **Annex G**.

2.6 OFFICIALS AND COACHES.

- a. **Membership of the HPA.** No person may umpire, referee or coach at any match at or conducted by an affiliated or provisionally affiliated club in the UK or Ireland unless they are a member of the HPA. See **Annex A**.
- b. **Dress.** Umpires must wear an umpires shirt or jacket (normally black and white vertical lines) with clean white breeches or jeans and polished boots and **a helmet that complies with Rule 2.3.**
- c. **Visiting Clubs.** Any referee or umpire or any other official visiting a club of which they are not a member will be subject to the same rules of discipline and behaviour that govern the membership of that club.
- d. **Alcohol and Drugs.** An official may not smoke or use a mobile phone during the course of a game and may only drink (non alcoholic) between chukkas nor may any official be under the influence of any illegal stimulant or drug, including any substance listed as such in **Annex E**.
- e. **Selection of Officials.** When selecting the officials, they should have polo experience at least to the level of the match that they are officiating and account should be taken of any interest that they might have in the outcome of the match and their relationships with any of the players. The team captain or the team manager may not appeal against the appointment of any particular umpire, referee or other official nor against the time or venue of a game.
- f. **Tournaments.** Subject to availability, the Chief Umpire will appoint Professional Umpires and a Referee to officiate at matches as below. A list of Professional Umpires with contact details is available on the HPA website. He shall inform the Tournament Committee of his choice. In the event of any disagreement, his decision is final
 - (i) All games in the HPA Official 22 goal Tournaments
 - (ii) All games in the Victor Ludorum Tournaments of 18 and 15 goal.
 - (iii) The main and subsidiary semi-finals and finals of all Victor and Victrix Ludorum Tournaments.
 A club may wish to use HPA appointed umpires for the whole tournament and not just for the semi-finals and final stage. They must apply to the HPA so that the necessary action can be taken. They should include this detail on the entry form as teams will be charged by the HPA.
- g. **One Umpire.** The Tournament Committee may stipulate in the tournament conditions that there will only be one Umpire or, if this has not been done and in order to get a match started, invite the two Captains to agree to only one. When there is only one umpire, there will normally be a referee but he too on occasion may be dispensed with. If there is only one umpire the mounted umpire can ask for the view of the referee if there is one but the umpire has to make the decision
- h. **Umpires Discretion.** Should a goal post be knocked down or similar incident not covered in the rules, then the umpires should allow play to continue until it is neutral. Should a goal post fall in such a way as to stop a goal which in the judgement of the umpires would have been scored then it should be awarded. A similar ruling will apply if the ball hits a flag at the top of a goalpost
- i. **International Games.** International games will be played under these rules unless any changes have been mutually agreed by the team managers/captains and recorded in writing before the match. The International Committee have the responsibility to nominate the match officials in consultation with the Chief Umpire. A list of officials should be given to each team manager/captain who will make a selection in order of preference from the list. The Chief Umpire, in consultation with the Chairman of the International Committee will then make the final selection. Any umpire selected should be practised and fully conversant with the current HPA rules.
- j. **Guidelines for Officials.** See **Annex H**.

1.7 REPORT FORMS.

- a. A Report Form shall be completed and signed by the umpires and referee for the following:
- If a team is judged not to be trying.
 - If a player is sent off for the rest of a game.
 - If a player's spurs or whip are not in accordance with the rules.
 - For excessive misuse of the whip or stick or dangerous riding.
 - If a pony is seen to be either showing vice or not under proper control
 - If a pony is seen to be blind in one eye or to have had any form of tracheotomy or to have been de-nerved.
 - If a player has been awarded a red flag during a game.
 - If a player has been awarded a yellow or red flag after the final chukka has ended.
 - Any action which is considered to have brought the game into disrepute.
- b. A report Form may be completed by the Team Captain if he considers that the Tournament Committee has acted improperly or that the umpires have failed in their duties. Should the report contain defamatory content, such as an accusation that an umpire favoured one team against the other, then the Report Form must be accompanied by a cheque for £1000 as surety and this sum will be forfeited if the defamatory comment is not proven. The form must be signed by the Team Captain and at least one other member of the team and be lodged with an HPA official within 24 hours of the match. In addition, one of the signatories must be available within the following 48 hours to review the match with an assessor or a panel designated by the host club. If a DVD of the match is available then this should be provided by the complainant. It should be noted that the burden of proof lies with the complainant and that it is extremely difficult to consider such accusations without a visual record of the match.
- c. The top copy will be sent to the HPA Disciplinary or Welfare Officer as appropriate and the second given by an HPA or Club Official to the person to whom the report refers. The third copy should be retained by the club. An official of the HPA may instruct a Club to hold an enquiry or a Club may act on its own initiative. If the Club considers that the evidence points to a serious breach they should report the incident to the HPA. In any event, it is of paramount importance that any incident leading to a report is dealt with immediately.

ANNEX B – HANDICAP COMMITTEE AND GUIDELINES

1. HPA Handicap Committee.

- a. The HPA Handicap Committee shall consist of a chairman (“the Handicap Chairman”) who shall normally be a Steward and not more than ten other members, who shall be elected by the Council annually. Four shall form a quorum.
- b. It is within the remit of the HPA Handicap Committee to change any player’s handicap at any time. Any such change shall become effective as notified by the HPA.
- c. The Handicap Committee shall review official handicaps on the basis of recommendations from Club Handicap Committees or any other Handicap Committees as agreed by the Stewards at mid-season in June and at the end of the season.
- d. The Handicap Chairman has the power to co-opt additional members for the above meetings.
- e. All present have one vote regardless of any interests or whether or not they have seen the player play. This may be done by a show of hands unless close in which case it will be done by voting slips. A majority is required for a handicap to change. The Chairman may vote in the first round or not as he wishes. If the votes are even, he may have the casting vote whether or not he has previously voted.
- f. Appeals should be made to the Chairman of the HPA. He is **only obliged** to consider if there has been a substantially incorrect procedure or substantially incorrect information provided.

2. 22 Goal Handicaps. To play in the 22 goal, a player must hold a 22 goal handicap. A player of any nationality may apply for a 22 goal handicap if they meet the conditions set out below:

- a. They were a member of either Guards, Cowdray, Cirencester, RCBPC or Beaufort the previous season;
- b. They played in at least two VL 8 goal or above tournaments in the previous season. The Handicap Committee must be satisfied that the player played competitively on ponies of a suitable standard for the level played and success in the tournament will be a key factor.
- c. They played in high goal tournaments overseas prior to the English season and the information provided has been endorsed by the relevant association. For Argentina and the USA this will be 20 goals or above but may be reduced for countries where that level is not played. Such players will continue to be bracketed until their handicap has been confirmed but can play at all levels.

The 22 goal handicap may be higher, lower or the same but the intention is that it enables players to be fairly and competitively handicapped both for the 22 goal and the 18 goal and below if they are playing the different levels.

3. Guidelines on Handicapping

- a. Those on Handicap Committees are there to make a judgement on the various recommendations and information provided by those present. They may take into account their knowledge of the individual player if they are in a position to do so. Anyone who has an interest (team, family, employer etc) must declare it before they enter into any discussion.
- b. All members of the HPA should be handicapped fairly on the level of polo they play most. HPA handicaps are recognised worldwide and players must be internationally competitive. Any player recommended to go up should be judged to be competitive with those players who are in the middle of the next level.
- c. The upper handicap level is fixed at 10 goals and the Handicap Committee will always start at the top and work downwards. This means that the diversity of standard within each level is likely to increase as you get lower but minus goal players should not be held down so that a team can include higher handicapped players. Every club has over-handicapped players who must not be used for comparison and unless there are very unusual circumstances, a player should not be recommended to go down from 0 to -1, or from -1 to -2; for example, a player who has come from abroad can be reduced to fit in with HPA handicaps.
 - A **-2 goal player** may play in tournaments up to 6 goals and a club may award a -2 handicap to a playing member once they have passed the rules test and are considered safe. The club must inform the HPA in writing that their member has been raised to -2.
 - A **-1 goal player** may play in any tournaments up to 12 goals for which he is eligible. A player should be raised to -1 once they have become an established and playing member of the club.
 - A **0 goal player** may play in any tournaments, including High Goal, for which he is eligible. A player should be raised to 0 once they are safe to play 8 goal or above and have achieved success in tournaments.
- d. A player will only be awarded a handicap on the basis of having played sufficient polo competitively at a suitable level during the season. Inevitably, the higher the handicap, the more important it is that the player plays competitively at a suitable level, and in a sufficient number of games. If in any doubt, the player may be either Not Rated (NR) or bracketed:

- (i) **NR.** If the player has played in less than two tournaments or ten games of a suitable level, or has not won any games, it is likely that he will be 'NR'. (It is the responsibility of the player to keep a record of the games/tournaments he has played and the results.) If a player is NR'd they will have to submit a CV form in order to be given a handicap. NR may also be used for a player that does not require a handicap for tournament polo e.g. retired or RDA.
- (ii) **Brackets.** The brackets signal that a player's handicap is under review and is therefore more likely to be changed at any time. Brackets will only be removed by the HPA when it is clear to the main Handicap Committee that the player is correctly handicapped.
4. **CV Form.** The allotment of a handicap will be at the discretion of the Handicap Committee but in general no handicap will be awarded to a new or returning player on the basis of a CV form (available on the HPA website) until mid-January. The handicap awarded will be placed in brackets and will normally be the highest handicap held in any country during the 12 months previous subject to the following:
- (i) **Player Going Up in Another Country.** If the HPA is aware that the handicap of the player is due to be changed then the HPA Handicap Committee may award the new handicap.
- (ii) **Players Gone Down in Another Country.** A player or former player whose handicap has been lowered in the last 12 months may be awarded his current (lower) handicap provided that he has held an HPA handicap in the past for at least 3 seasons concurrently and that he is of an age when improvement is unusual.
- (iii) **Past Players.** The Handicap Committee is able to grant a handicap to a player who has been out of polo for a number of years on the basis of a CV form and club recommendation.
5. **Polocrosse & Pato Players.** Polocrosse or pato players who take up polo will be given a handicap within the following ranges:

<u>Polocrosse Division</u>	<u>Pato H'cap</u>	<u>HPA</u>
A	6 – 10	1 – 2
B	4 – 5	0 – 1
C	2 – 3	-1
D	0 – 1	S or -2

- 0 Goal – 4 Chukkas.**
- All players must hold a minimum HPA handicap of -2 goals and not more than 3 goals, and no two players may exceed 3 goals.
- The above should apply for all tournaments but if a club chooses to allow the upper limits for a single player or the best two players as set out above to be exceeded for a club tournament of 12 goal and below:
- The other teams must be notified before the draw and be allowed to withdraw should they wish to do so.
 - The team exceeding them shall give the opposing team the number of goals by which both the team and any player has exceeded the limit in addition to any handicap difference.
2. **Non-EEA Players.** The term “OSP” is not used anymore and has been replaced with “non-EEA” player.
- A non-EEA Player (referred to by the Home Office as a “Migrant”) is a player who has entered the UK on a Tier 5 Visa (Temporary Worker – Creative or Sporting) and as such must be 4 goals or above and is restricted to playing in 15 goal or above, or on a Standard Visitor Visa which has replaced the Sports Visitor Visa. Please see <https://www.gov.uk/standard-visitor-visa> for guidance if entering on a Standard Visitor Visa.
 - The Kolpak Ruling allows citizens of certain countries the same right to freedom of work and movement as EU citizens as long as they have held a valid work permit in the UK for 4 years. Please see https://en.wikipedia.org/wiki/Kolpak_ruling for more guidance. These individuals will therefore not be classed as non-EEA Players.
 - Any player who has played here on a Tier2 or 5 visa and is here on another type of visa or is known to have played professionally in another country shall be considered to be a professional player and as such will require to be here on a legitimate visa which covers his involvement in polo whilst in the UK. The HPA reserves the right to refuse permission unless and until they are completely satisfied that the case is a bona fide one. They will look at all the surrounding circumstances including ownership of the ponies hired and the terms of hiring.
3. **Non-EEA Players Under 18 on 31 September 2018 or in the UK on Full Time Education.** A non-EEA person who enters the UK either as a dependent of a player here legitimately or as an individual on a Standard Visitor Visa <http://www.gov.uk/standard-visitor-visa/if-youre-under-18> cannot be paid to play in the UK. Please see

para 6 of the Immigration Rules. Please note that if entering as an individual on a Standard Visitor Visa they may be denied entry if deemed to be a professional sports person by the Border Agency. <https://www.gov.uk/guidance/immigration-rules/immigration-rules-introduction>. Subject to the minimum handicap and abiding by the conditions of their visa:

- a. Any such non-EEA under 18 player may play in any level if they are 4 goals or above. They will be counted as a non-EEA player and if they wish to play 22 goal will need to obtain a 22 goal handicap.
 - b. Any such non-EEA under 18 player who is less than 4 goals may play the 15 goal and below only and will not count as a non-EEA player.
4. **Pairing of Players.** Two players may be paired so that each plays a designated number of chukkas within one team.
 5. **One Team.** No player may play for more than one team in the tournament except if authorized as a substitute.
 6. **Coaching.** Coaching during play is forbidden from anywhere and by any form of communication.
 7. **National Teams.** The conditions governing non-EEA players may be lifted for a national team which has been invited and approved by the Stewards or for an established overseas patron who wishes to play with an immediate family member who is also non-EEA. In the case of a substitution in such a family team, normal tournament conditions and rules shall apply. See also Rule 2.2L. National and Representative Teams.
 8. **Entry Form.** To enter, the team captain/manager must submit a completed entry form and send it to the Tournament Committee with the entry fee before the closing date. The team must be qualified to play in the tournament and the entry form must contain the names of at least three players whose total handicap adds up at least to the minimum handicap of the tournament and nominate the team captain. The entry form will contain a declaration which the team captain or manager must sign to the effect that the players nominated on the form or subsequently to be added or changed are qualified to play in the tournament or match and that the handicap and status of the players are correctly recorded.
 9. **No Play Dates.** No Play Dates shall be at the discretion of the Tournament Committee and cannot be guaranteed.
 10. **Umpire Ponies.** Teams are required to provide two ponies for umpiring for all 15 goal matches and above. Below this level only one need be provided. A pony that has been played or umpired four chukkas should not be used to umpire without a significant break. Ponies must be suitable to umpire the level being played. A pony to be ridden by an umpire must be equipped as for playing except that the tail need not be put up. Should an umpire deem that the pony offered is unsuitable for umpiring then the team must provide a replacement. See also Rule 2.4f.
 11. **Players Raised in Handicap during the Season.** If the handicap of a player or players in a team has been raised during the season then:
 - a. A high goal (22) team will be allowed to play above the tournament limit by that number of goals but any other team will only be allowed to play one goal over the limit.
 - b. A team will not be allowed to play over the handicap limit with a player raised mid-season unless that player has either already played with that team or been listed as a member of a team on the entry form for a tournament within seven days of the date when his new handicap became effective.
 - c. The same rules as the above shall apply as to the handicap limits for individual players.
 - d. Any substitution of the player, or players raised must bring the team handicap back to within the limits of the tournament.
 12. **Team Change.** Should a team captain or manager wish to change or add a player at any time before a match is about to start, he must submit an application to the Tournament Committee. Should the club official responsible be unable to check the eligibility of that player for whatever reason, then that player shall not play. The club official should inform the opposing team of any changes or addition as soon as possible. If the match is about to start or has started, then that player is a substitute. It is recognised that in high goal the replacement of a high goal player within the rules may be more difficult.
 - a. **League Phase in 22 Goal.** If a player is unable to play in the next match of the league phase, then his replacement in the team must be qualified. If no qualified player of the same handicap is available then a double substitution may be made.
 - b. **Main Knockout Phase in 22 Goal.** If a player of 2 goals and above cannot play due to an injury certified by a doctor, that player may be replaced by a player who is no longer part of the main tournament but is qualified in all other respects. Special rules, which should be detailed in the tournament conditions, may apply to any subsidiary knockout phase.
 13. **Withdrawal.** A team that has entered a tournament may not withdraw once the schedule has been published without the permission of the Tournament Committee which should only be given in exceptional circumstances. A team that pulls out immediately before or during a match without such consent will invoke a charge of misconduct. A Tournament Committee has the right to disqualify a team at any time.
 14. **Not Trying.** If in the opinion of the umpires or the referee or the Tournament Committee, a team is believed

to be not trying, the team should be warned by the umpires. If the team fails to comply with this instruction, the umpires shall submit a report form. The team or individual players may be subject to a Disciplinary Enquiry by the Tournament Committee who may take any action considered appropriate, including the disqualification of the team and its members from playing in the rest of the tournament. If it is considered appropriate by the Tournament Committee to refer the matter to the HPA, the team will be suspended pending adjudication by the HPA.

15. **Effect of Disqualification or Withdrawal.** If a team is disqualified or its withdrawal is accepted by the Tournament Committee and the team has already played in the tournament then, in a knockout, the team which they have played and beaten in the previous round may go through to the next round. In a league or group all the matches which the team has played will be declared null and void with points and goals gained by their opponents subtracted from their total.
16. **Substitution.** See Rule 2f. The Tournament Committee, having been satisfied that there is a genuine need for a substitute, will ask the captain of the team requiring the substitute for his choice.
 - a. **Chosen Substitute Not Qualified.** Should the chosen substitute not be qualified, the Tournament Committee must establish if there is another qualified substitute readily available. This is to include a player of the same handicap or one goal less than the player he will replace.
 - b. **No Qualified Player Available.** If no qualified player is readily available, the Tournament Committee may agree to a player being used who has played or be due to play in another team. A player who is no longer in the tournament should play in preference to one who is still in it. The Tournament Committee may authorise a non-EEA qualified to play at that level (medium or high goal) to substitute for an EU player if no qualified EU player is available.
 - c. **Same Handicap or Lower.** If the substitute is of the same handicap as the player he has replaced or lower, then the score will not be altered. A team whose total handicap was below the upper limit of the tournament is not obliged to take a substitute of a higher handicap. However, if they choose to do so, up to the tournament limit, then the score will be altered immediately to reflect the increased total handicap of the team irrespective of when the substitution occurs.
 - d. **Player Raised in Handicap.** A player whose handicap has been raised mid-season may not play as a substitute if the team's total handicap thereby exceeds the tournaments limits, or to that to which it was raised by a second member of the team whose handicap was also raised mid-season.
 - e. **Team Raised in Handicap.** If a team is playing above the handicap limit of a tournament by virtue of including a player or players raised in handicap during the season, and one or both of those players has to be substituted during a match, any substitution must be on the basis of the original handicap of those players before they were raised. However, if another player in that team is substituted, the original total handicap of the team may stand.
 - f. **Double Substitution.** If a player is injured so that he cannot continue to play and, even though a qualified substitute may be available, a team may choose to make a double substitution. The injured player may be replaced by a player of a lesser handicap and another player on the team may be replaced to bring the team back to its original level (but see Rule 2.2c(ii)). Both substitutes must be qualified and therefore must not have played or be due to play in the tournament.
 - g. **Substituted Player May Replace Substitute.** A substituted player may replace his substitute at the start of but not during any chukka. Should the substitute have been of a higher handicap so that the score was altered it shall not be changed again. If the substitute was of lower handicap and had started the match so that his handicap was shown within the team total then the score will be altered if the substituted player joins the team.
 - h. **Three Man Teams.** If a player is late or unable to play as a match is about to start, then a team may play with three players but the team aggregate handicap must remain within the tournament limits. The team will start with the aggregate handicap of the three players. If the fourth player or his substitute subsequently joins in, which he may do only at the start of but not during a chukka in the match, the handicap of the team will be recalculated to include the handicap of the joining player if one goal or above and the score board altered accordingly in favour of the opposing team. If the joining player's handicap is 0 goal or below then no alteration will be made to the score.
 - i. **Sent Off or Injured.** A team may be reduced to three men (no qualified substitute or player sent off) in which case it may play with an aggregate handicap below or above the limits of the tournament. But, in the event of a subsequent substitution, the handicap of the injured or sent off player must continue to be included in the calculation when judging the eligibility of the substitute.
 - j. **Effect on Substitute.** A player who has substituted for another under Rule C16b should not be disqualified from continuing with his original team, or from joining another team if he is not already in one. He may also continue to play in the team in which he has played as a substitute if the original player is still not available and his own team is no longer in the tournament.

17. **Substitution in the High Goal (22).** In the 22 goal the substitution of a player within the above rules may be difficult and therefore teams may nominate substitutes as follows:
- a. **League Phase.** A team may nominate as a substitute a qualified player of 8 goals or above who is playing in another team in the tournament to be a substitute.
 - b. **Main Knockout Phase.** A team may nominate a substitute for each of its players. Any player who has been knocked out in a previous round is eligible to substitute provided that he is qualified. He is not eligible if he has been knocked out in the same round; for example, another quarter finals played the day before.
- In each case, the list of substitutes shall be emailed to the Polo Manager by mid-day on the day before the match. Otherwise, a team shall be subject to the substitution rules as set out in C16.

VICTOR & VICTRIX LUDORUM CHAMPIONSHIP AND POINTS SYSTEM

- 1. General.** The aim of HPA Victor & Victrix Ludorum Championship is to encourage participation in the designated tournaments and to establish an overall champion at each level, High (18), Medium (15), Intermediate (12), Low (8, 6 and 4) goal Victor Ludorum and High (12-18) goal Vitrix Ludorum.
- 2. Committee.** The Championships is run by the Victor & Victrix Ludorum Committee which consists of the following:
M Amooore, (Chairman), C Bethell, A Fanshawe, TBC, S McDonald, C West.
The duties of the Committee are to:
- Recommend to Stewards annually the tournaments to be listed as part of the Victor & Victrix Ludorum.
 - Resolve any disputes or misunderstanding in the points system or the awarding thereof.
 - Decide on any matter that they consider is in the interest of the Championship.
- The Committee may refer any issue to the Stewards and a team has the right of appeal to the Stewards.
- 3. Entry**
- The tournaments that qualify for the Victor & Victrix Ludorum are designated as such in the Fixture List.
 - All teams entering the named tournaments will be automatically included.
 - Professional umpires will be used for all games in the 18 and 15 goal Victor & Victrix Ludorum tournaments and for the main and subsidiary semi-finals and finals of the 12, 8 and 6 goal tournaments. The extent of their use and costs to be levied should be included in the 'Conditions of Entry'.
 - In the 6 Goal team entries and draws will need to be approved by the Committee prior to being published.
- 4. Change of Team.** Whilst it is appreciated that team 'line-ups' may alter during the season, it is 'expected' that the team remains essentially the same team, with the same name, patron and team members. The committee reserves the right not to award any points to a team that has changed its name, the patron or two members of its team, except as a result of substitution, unless the change has been agreed with the Chairman of the Victor & Victrix Ludorum prior to the game.
- 5. Points System**
- The host club shall send results of all Victor & Victrix Ludorum matches to the HPA within 24 hours and a summary of all points scored within 2 days of the finals for confirmation.
 - Teams will be awarded points from all of the named tournaments.
 - Points from each tournament shall be awarded as follows:

For	Points
Entering the tournament	20
A win in the league/group stage.	10
A draw in the league/group stage	5
A win in a quarter finals	10
A win in a semi-finals	20
A win in the finals	30
A win in the semi- finals and finals of a subsidiary	10

Notes

- Knockout** – Knockouts will not be permitted unless agreed by the Victor & Victrix Ludorum Committee. Points will then be re adjusted.
 - Byes** - Should it be necessary to award a team a bye in the knockout phase when qualifying/league matches have been played, then the bye will be awarded to the team first in the order of merit and that team will be awarded the points from the missed game as if it had played it and won, as above.
 - Match Cancelled.** If a match is cancelled, points will be shared, subject to the approval of the Victor & Victrix Ludorum Committee.
 - Final Not Played.** In the event that a final is not played, and there is no overall winner, no points will be awarded.
- 6. Championship Order of Merit.** If teams are equal on points for the Championship, the order of merit will be decided as follows:
- If two teams are equal and they have played each other an uneven number of times by who has won the most number of games between them, or if they have played each other an even number of games by goal difference.
 - If the two teams have not played each other by the goal difference in all the matches that they have played.

ANNEX D - FORMAT, SCHEDULING AND ORDER OF MERIT

- Closing Date and Acceptance.** As a general rule the Tournament Committee should accept all entries up to the closing date. They may try to achieve extra entries in order to give a better balance to the tournament (eg to achieve eight teams rather than seven) but the process should not be so drawn out that the issuing of the schedule is delayed. It is, however, at the discretion of the Tournament Committee to refuse an entry, to ballot out teams or to run a tournament on an invitation basis.
- Format and Schedule.** Once entries have been received and if it is not in the tournament conditions, the Polo Manager must decide whether the tournament should be run as a knockout, league, group or combination of both. It has become increasingly popular to start a tournament on a league or group basis, as this guarantees each team a number of matches, and then to move on to a knockout phase. The Tournament Committee should whenever possible arrange a balanced and achievable schedule for a tournament at their club which will need to take account of the number of entries, the playing days available and the other commitments of the teams and players. The schedule of the matches should include where appropriate nominated umpires and referees.
- Widened Goals.** The schedule should state whether goals will be widened. Goals will normally be widened for the second chukka of extra time but if the tournament conditions state or team captains agree to save ponies and time, the first chukka of extra time may start with widened goals. If goals are widened the chukka will be started with a throw in from the centre, ends having been changed.
- Penalty Shoot Out.** A penalty shoot-out may be used to produce a result or order of merit. See para 11b. The availability of players, the number of teams involved and the weather might influence how the shoot-out is conducted which shall be at the discretion of the Tournament Committee but the format of the shoot-out should be decided and promulgated before the start of the tournament or at least 24 hours before the game likely to involve a shoot-out is due to be played. Players eligible to take part shall be restricted to:
 - those who were listed on the team entry form for the tournament or
 - those who played the whole of the last match or
 - the substitute of a player who is injured in the last match but only if the injured player's inability to take part is supported by a Doctor's certificate.The following format is recommended and shall be the default position:
 - Two players are nominated from each team to take the penalties on behalf of their team.
 - A coin will be tossed with the winner electing whether to go first or second. Teams and players then alternate as each player has two free hits at goal from the 30 yard spot and then the 60 yard spot. Both are undefended.
 - If this results in a tie and a result is required, the 60 yard penalties will continue until a winner can be declared by sudden death.
- Away Games.** The schedule may require teams to play qualifying matches at other clubs. This will be arranged by agreement between polo managers and clubs are expected to co-operate in accepting teams which may not be from their own club. Qualifying matches are taken as part of the tournament and the rules on substitution and use of ponies shall apply.
- Private Grounds.** All private grounds must have been inspected by an official of the HPA and passed before they may be used for matches played in official HPA tournaments. A Tournament Committee that, in agreement with the owner, schedules a match to be played on a private ground, must contact the Polo Manager of the Club designated as the overseeing club for that ground. The Polo Manager should inform the Tournament Committee of the matches and teams that have been played at that ground in previous tournaments. If in agreement, then the designated club must have at the ground an official who shall be responsible for all matters concerning the match.
- No Appeal.** The team captain or the team manager may not appeal against the time or venue of a game.

FORMAT

- Knock Out Tournament.** A knockout tournament is one in which teams are drawn to play one or more of preliminary rounds, quarter finals, semi-finals and finals. Unless there are eight or sixteen teams in the tournament there will be a requirement to have bye rounds. The method of placing these is shown in the table below. It is often popular to have a subsidiary to the main tournament to give the teams beaten in the first round a minimum of two matches. The subsidiary matches should be scheduled so that they fall as close as possible to the time and date of the equivalent matches arranged for the winning teams.

Method of Drawing Byes in Tournaments – All Byes are in the first round

No of Teams	Byes at Top	Byes at Bottom
5	1	2
6	1	1
7	0	1
8	0	0
9	3	4
10	3	3
11	2	3
12	2	2
13	1	2
14	1	1
15	0	1
16	0	0

9. Leagues and Group Tournaments.

- a. **League.** A league tournament may consist of one or more leagues with each team in its league normally playing the others. In a league of four each team plays three matches.
- b. A league tournament may be used to produce a winner or to decide by an order of merit (para 11) which team shall qualify for the knockout phase of the tournament.
- There should always be the same or more places for teams in a knockout phase than the number of leagues or groups.
 - Leagues of three teams are to be avoided if possible as they are more prone to match fixing than larger leagues. If used, the team that loses the first match in its league should ideally play the third team next so that the next league match will count towards the overall result
 - For reasons of time or availability it may sometimes be necessary to schedule a tournament in which all the teams in a league do not play each other; for example, if there are five teams and only time for each team to play two matches. Scoring will be as laid down in para 13.
- c. **Group.** A group is divided into two subgroups of two or more teams. With a group of six teams in two subgroups of three teams, each team will play three games. Each subgroup should have the same number of teams and each team should play against each team in the other subgroup. The group system should be used sparingly as all the teams within a group have not played each other, and one sub group may be stronger than the other. Hence the group system can sometimes lead to maverick results which are only partially offset by seeding or by combining all the results within the group (para 13).
- d. **Combined Leagues and Groups.** Sometimes, in order to achieve a uniform number of matches played, the league and group system can be combined. For example, if there are fourteen teams in a tournament, the Committee can schedule two leagues of four teams and a group of six teams (two subgroups of three teams each) so that every team plays three matches in this phase.
- e. **One Day Round Robin.** If three teams are to play on one day, then a Round Robin is a good answer. Normally each team plays two chukkas against the other. Two of the teams play consecutively e.g. the first four chukkas or the last four and the third team has a break in the middle. It is recommended that each match should end on the first bell whether the score is level or not and that two points are awarded for a win and one for a draw.
10. **Progression and Placing of Teams for Knockout Phase.** Once an order of merit has been established then a knockout phase may be held. If eight teams are to enter the knockout phase then quarter finals will be played but if only four then Semi-finals will be played. The order of merit as outlined in para 11 above will normally be used to place teams for the knockout phase of a tournament.

Quarter Finals:	1 v 8	Semi Finals:	1 v 4
	4 v 5		2 v 3
	3 v 6		
	2 v 7		

These placings may be altered for scheduling reasons or to avoid teams that have played each other in the league phase meeting in the early rounds of the knockout. A draw can also be made.

11. Order of Merit.

- a. **Points System.** To establish an order of merit a points system for games will operate as follows:

Played for a Win: Win = 2 Lose = 0
 Played for a Draw: Win = 2 Draw = 1 Lose = 0

In addition, a record of goal must be maintained as follows:

Goals For: the sum of the goals scored by and accredited to a team.

Goals Against: the sum of the goals scored against a team.

Goal Difference: the sum of the 'Goals For' versus 'Goals Against' which may result in a minus total.

- b. **Penalty Shoot-Out.** The Tournament Committee shall normally specify in the Tournament Conditions that a Penalty Shootout will be held if necessary after the league or group phase to decide the order of merit between teams tied on points. See para 4. Notwithstanding that, the Tournament Committee may also inform teams prior to a game that a penalty shoot-out will be used to decide the order of merit should they consider that it will contribute to the uncertainty of the outcome. Where more than two teams are tied on points it is possible that one of the tied teams may have beaten the other teams tied on points, in which case that team should go through first leaving the remaining teams to take part in the shootout should it still be necessary.

12. League in which all the Teams have played each other.

In a tournament that involves leagues in which all the teams within each league have played each other a record of the results should be drawn up as in the Examples. The order of merit is established initially by taking the number of points scored by each team in its league (Example A).

- a. **Two Teams Tied on Points.**

- (i) If two teams are tied on points, then the team that won the match between them goes above the other (Example B).
- (ii) If the result of the match between the two tied teams was a draw, the first placed team will be that with the best 'goal difference' counting all the matches played by the two teams in their league.
- (iii) If the teams are tied on 'goal difference', the first placed team will be the one with the most 'goals scored', again counting all the matches played by the two teams in their league.

- b. **Three Teams Tied on Points.** If three teams are tied on points, recalculate the points scored counting only the matches played between the tied teams.

- (i) If this results in two teams still being tied on points, the team that won the match between them goes above the other.
- (ii) If three teams are still tied on points, again taking into account the scores within the tied teams, the order of merit is established from the 'goal difference' credited to each team. Thus the team with the best 'goal difference' goes first, the second best goes second and the third goes third. If this results in two of the teams still being tied on 'goal difference', the team that won the match between them goes above the other.
- (iii) If three teams are still tied 'goals scored' shall determine the order of merit. If this results in two of the teams being tied on 'goals scored', the team that won the match between them goes above the other (Example E).

- c. **Four or More Teams Tied.** In the event that four or more teams are tied on points, then proceed as for three teams tied (para 12b).

13. Groups and Leagues in which all Teams have not played each other.

In a tournament which involves groups or leagues in which all teams have not played each other, the result of all matches within the league and group will be taken. Thus for example with two subgroups, each of two teams playing across, the result of all four matches will be taken together (Examples C, D and F). The order of merit will be drawn up as in para 11 but note if teams have played each other then the winner of that match will go above in a two-way tie (Example D).

14. Across Leagues and Groups.

- a. As a first step establish the order of merit within each league or group using the system laid down in para 11 and 12 above. The first team in each league and group have an automatic place in the knockout phase.
- b. If it is necessary to establish an order of merit between the first placed teams in each league and/or group to allocate the playoff places in the knock out phase (para 10) take all the matches that the teams have played in their league or group to establish the order of merit between them again using the system in paras 12 or 13.
- c. If it is necessary to achieve an order of merit between the second or third and so on placed teams in each league and or/group proceed as for the first placed teams above. A Tournament Committee may however wish to include a special rule in the schedule if the tournament does include a group or groups

- as those teams in a group are at a disadvantage (there are always more teams than in a league) when an order of merit is drawn up using the system outlined above. (See Note 2 to Example J)
- d. In the event that there are an unequal number of teams in each league then eliminate the bottom team and recalculate the scores. The original placings will stand i.e., the team that came first in the league before equalisation will remain first but the points, goal difference and goals scored credited to it after equalisation will be used for comparison with the equivalent placed teams in the other leagues. Thus, if required, an overall order of merit, involving all the teams in a tournament can be drawn up. (See Examples H and J).
15. **Teams still Tied.** If teams remain tied having applied all the above methods to separate them, if a play off or penalty shoot-out has not been scheduled or there is not enough time, then the Tournament Committee shall determine the order of merit in the sequence below:
 - a. The best 'goal difference' achieved in any one game.
 - b. The best 'goals scored' achieved in any one game.
 - c. The toss of a coin.
 16. **Unfinished Game.** Every effort should be made to reschedule a game so that it can be played or completed or produce a result by penalty shootout as outlined in para 4 but as a last resort the result of a match can be calculated as follows:
 - a. **If not played:**
 - (i) Taking all the matches played in the league or group concerned, establish the 'goal difference' for each team. The score is then calculated by dividing the 'goal difference' of each team by the number of matches played by each team; all fractions to count as half.
 - (ii) If this produces a tie in a tournament in which matches are to be played for a win then a similar calculation will be made taking account of 'goals scored'.
 - (iii) If two teams remain tied then para 15 will apply.
 - b. **If started but not completed:**
 - (i) The score will be calculated by taking the score of each team at the time the match was abandoned. These scores are then each divided by the number of chukkas completed and multiplied by the total number of chukkas due to be played in the match to give the score; all fractions to count as half.
 - (ii) If the teams were equal when the match was abandoned, each team will be awarded half a point.
 17. **Tournament Played Open and Handicap.** If the tournament is played both open and on handicap:
 - a. **Scoreboard.** The scoreboard should show the 'Open' score with any goals awarded on handicap displayed separately below the appropriate team.
 - b. **Last Chukka.** Matches must be played for a win in both the open and handicap sections. Although there may be a win in one section at the end of the last chukka, play may have to continue in order to get a win in the other section. When the result of one section has been established, then that result will not be altered by the subsequent play that may have been required to get a match result in the other section. It is important that umpires and time-keepers are briefed on this requirement.
 - c. **Order of Merit.** A team that wins both the open and handicap section in a league must go for the open final. When the order of merit is being calculated, all matches are counted. If two or more teams are tied on points, only matches between the tied teams are counted as in para 12a except that a team that has won the open section of the league shall not be considered as a tied team.
 18. **Cancellation.** If the result of a league is known before the last matches are played and the result cannot be influenced by those matches, they may be cancelled provided the Tournament Committee, the club where the matches were due to be played and both team captains all agree.

EXAMPLES TO ANNEX D

Example A - League with no teams tied on points

League 1	A team	B team	C team	No team	Win/Lose	Points	Goals Scored	Goals Against	Goal Difference	Place
A team		7 - 8	12 - 7		LW	2	19	15	+4	2
B team	8 - 7		9 - 4		WW	4	17	11	+6	1
C team	7 - 12	4 - 9			LL	0	11	21	-10	3
No team										

Example B - League with two teams tied on points

League 1	A team	B team	C team	D team	Win/Lose	Points	Goals Scored	Goals Against	Goal Difference	Place
A team		10 - 7	7 - 9	6 - 7	WLL	2	23	23	0	4
B team	7 - 10		11 - 6	9 - 8	LWW	4	27	24	+3	1
C team	9 - 7	6 - 11		4 - 5	WLL	2	19	23	-4	3
D team	7 - 6	8 - 9	5 - 4		WLW	4	20	19	+1	2

B team and D team are tied on points. B team won the match between them so go first. Likewise C team beat A team so they go into third despite the fact that they have a worse goal difference.

Example C - 4 teams grouped in 2 sub groups.

Sub Group 1	A team	B team	C team	D team	Win/Lose	Points	Goals Scored	Goals Against	Goal Difference	Place
A team			9 - 6	7 - 6	WW	4	16	12	+4	1
B team			6 - 5	7 - 4	WW	4	13	9	+4	2
Sub Group 2										
C team	6 - 9	5 - 6			LL	0	11	15	-4	3
D team	6 - 7	4 - 7			LL	0	10	14	-4	4

Teams play across. A team and B team each have four points so go straight to goal difference and the scores are still tied; go to goals scored and A team go first and B team second. Likewise C team go third and D team fourth.

Example D - 4 teams grouped in 2 sub groups.

Sub Group 1	A team	B team	C team	D team	Win/Lose	Points	Goals Scored	Goals Against	Goal Difference	Place
A team			5 - 4	3 - 4	WL	2	8	8	0	2
B team			4 - 10	4 - 7	LL	0	8	17	-9	4
Sub Group 2										
C team	4 - 5	10 - 4			LW	2	14	19	+5	3
D team	4 - 3	7 - 4			WW	4	11	7	+4	1

Teams play across. D team goes first with 4 points. Team A and C are tied on points. As A team beat C team they go second with C team third.

Example E - 4 teams in a league with 3 teams tied on points.

League 1	A team	B team	C team	D team	Win/Lose	Points	Goals Scored	Goals Against	Goal Difference	Place
A team		10 - 5	6½ - 10	8 - 0	WLW	4	24½	15	+9½	1
B team	5 - 10		9 - 3	7 - 3	LWW	4	21	16	+5	2
C team	10 - 6½	3 - 9		3 - 1	WLW	4	16	16½	-½	3
D team	0 - 8	3 - 7	1 - 3		LLL	0	4	18	-14	4

Three teams tied on points so the 4th team (D team) is discounted and the scores are recalculated taking into account only the scores between the remaining three teams. See below.

Example E - 4 teams in a league with 3 teams tied. Bottom team discounted.

League 1	A team	B team	C team	D team	Win/Lose	Points	Goals Scored	Goals Against	Goal Difference	Place
A team		10 - 5	6½ - 10		WL	2	16½	15	+1 ½	1
B team	5 - 10		9 - 3		LW	2	14	13	+1	2
C team	10 - 6 ½	3 - 9			WL	2	13	15 ½	-2 ½	3
D team										

All three teams are still tied on points. The team with the best goal difference goes first, the second best second and so on; thus the Order of Merit is A, B then C.

Example F - 4 teams grouped in 2 sub groups tied on points.

Sub Group 1	A team	B team	C team	D team	Win/Lose	Points	Goals Scored	Goals Against	Goal Difference	Place
A team			8 - 6	5 - 8	WL	2	13	14	-1	3
B team			7 - 9	5 - 4	LW	2	12	13	-1	4
Sub Group 2	A team	B team	C team	D team	Win/Lose	Points	Goals Scored	Goals Against	Goal Difference	Place
C team	6 - 8	9 - 7			LW	2	15	15	0	2
D team	8 - 5	4 - 5			WL	2	12	10	+2	1

All four teams are tied on 2 points. Some but not all of the teams have played each other so which team won the match between them is discounted so go to goal difference (Paragraph 3). Thus the order of merit is 1st D team with plus 2, 2nd C team on 0 and as A and B teams are equal on minus one, go to goal scored and A team comes 3rd with 13 and B Team 4th with 12.

Example G - 5 teams in a league each playing only two matches.

League 1	A team	B team	C team	D team	E team	Win/Lose	Points	Goals Scored	Goals Against	Goal Difference	Place
A team		9 - 4			5 - 8	WL	2	14	12	+2	3
B team	4 - 9			8 - 7		LW	2	12	16	-4	4
C team				5 - 9	3 - 7	LL	0	8	16	-8	5
D team		7 - 8	9 - 5			LW	2	16	13	+3	2
E team	8 - 5		7 - 3			WW	4	15	8	+7	1

E team goes first with 4 points, A, B and D teams are tied on 2 points each, so go straight to goal difference (Paragraph 3). Thus D comes 2nd, A 3rd, B 4th on goal difference and C 5th on 0 points.

Example H - 3 leagues of 3 and one of 4. There is to be a main and subsidiary semi final.

League 1	A team	B team	C team	No team	Win/Lose	Points	Goals Scored	Goals Against	Goal Difference	Place in League	Overall Place
A team		7 - 6	7 - 5		WW	4	14	11	+3	1	2
B team	6 - 7		8 - 6		LW	2	14	13	+1	2	6
C team	5 - 7	6 - 8			LL	0	11	15	-4	3	11
No team											
League 2	D team	E team	F team	No team	Win/Lose	Points	Goals Scored	Goals Against	Goal Difference	Place in League	Overall Place
D team		7 - 5½	7 - 4		WW	4	14	9½	+4½	1	1
E team	5½ - 7		4½ - 5		LL	0	10	12	-2	3	10
F team	4 - 7	5 - 4½			LW	2	9	11½	-2½	2	8
No team											
League 3	G team	H team	J team	No team	Win/Lose	Points	Goals Scored	Goals Against	Goal Difference	Place in League	Overall Place
G team		4 - 2	2 - 3		WL	2	6	5	+1	1	4
H team	2 - 4		8 - 5		LW	2	10	9	+1	2	7
J team	3 - 2	5 - 8			WL	2	8	10	-2	3	9
No team											

League 4	K team	L team	M team	N team							
K team		3 ¹ / ₂ - 12	7 ¹ / ₂ - 7	3 - 3 ¹ / ₂	LWL	2	14	22 ¹ / ₂	-8 ¹ / ₂	3	-
L team	12 - 3 ¹ / ₂		6 - 4	5 - 6 ¹ / ₂	WWL	4	23	14	+9	2	-
M team	7 - 7 ¹ / ₂	4 - 6		6 - 6 ¹ / ₂	LLL	0	17	20	-3	4	-
N team	3 ¹ / ₂ - 3	6 ¹ / ₂ - 5	6 - 6 ¹ / ₂		WWW	6	16 ¹ / ₂	14	-2 ¹ / ₂	1	-

To establish the order within the league and which teams therefore qualify for the knock out phase, all matches are counted. The next step is to reduce League 4 to three teams by eliminating the bottom team and recalculating the score as shown following in order to produce an order of merit across the leagues.

League 4	K team	L team	M team	N team							
K team		3 ¹ / ₂ - 12		3 - 3 ¹ / ₂	LL	0	6 ¹ / ₂	15 ¹ / ₂	-9	3	12
L team	12 - 3 ¹ / ₂			5 - 6 ¹ / ₂	WL	2	17	14	+9	2	5
M team											
N team	3 ¹ / ₂ - 3	6 ¹ / ₂ - 5			WW	4	10	8	+2	1	3

The winners of each league go into the main semi final: D team go 1st, A team 2nd, N team 3rd and H team 4th. In the subsidiary semi final, L team go 5th, B team 6th having been equal on points and goal difference but scored more than G team who go 7th and F team go 8th. N team and L team will qualify in their original league placings even if their positions change following equalisation.

Example J - The tournament has a group of 4 and 3 leagues of 3. There is to be a main and subsidiary semi-final.

Sub Group 1	A team	B team	C team	D team	Win/Lose	Points	Goals Scored	Goals Against	Goal Difference	Place in League	Overall Place
A team			8 ¹ / ₂ - 6	7 - 6	WW	4	15 ¹ / ₂	12	+3 ¹ / ₂	2	5

Sub Group 2											
C team	6 - 8 ¹ / ₂	5 - 6			LL	0	11	14 ¹ / ₂	-3 ¹ / ₂	3	10

E team		6 - 8	7 - 3		LW	2	13	11	+2	2	6
F team	8 - 6		8 - 4		WW	4	16	10	+6	1	1
G team	6 - 7	4 - 8			LL	0	7	15	-8	0	13

League 2	H team	J team	K team	No team							
H team		4 - 5	7 - 5		LW	2	11	10	+1	1	4
J team	5 - 4		4 - 6		WL	2	9	10	-1	3	9
K team	5 - 7	6 - 4			LW	2	11	11	0	2	8
No team											
League 3	L team	M team	N team	No team							
L team		4 ¹ / ₂ - 7	5 ¹ / ₂ - 8		LL	0	10	15	-5	3	12
M team	7 - 4 ¹ / ₂		3 - 5		WL	2	10	9 ¹ / ₂	+ ¹ / ₂	2	7
N team	8 - 5 ¹ / ₂	5 - 3			WW	4	13	8 ¹ / ₂	+4 ¹ / ₂	1	2
No team											

Note 1. The winners of each league/group go into the main semi finals. In this case there are 3 teams on 4 points so the order of merit for those 3 is decided on goal difference: 1st F team, 2nd N team, 3rd B team. H team is 4th as they won their league. Note that A team who won both their matches and has 4 points is not in the semi-finals. Then, taking the seconds in each league/group, A team is 5th with 4 points. There are then 3 teams placed 2nd with 2 points so the order of merit is again decided on goal difference: E team 6th, M team 7th and K team 8th. Also note two teams from the group and one from each league do not get another game.

Note 2. The Tournament Committee may include in the schedule a special ruling which in this case might read 'Should the worst 2nd best team in the leagues be below the third best team in the group in the order of merit then the team in the group will go forward to fill the eighth place.' In this example the order of merit stands as the third best team in the group (C) had 0 points whereas the worst second in the league (K) had 2 points.

ANNEX E – USE OF BANNED SUBSTANCES BY PLAYERS

1. Use of Banned Substances.

- a. Doping is the use by an associate member (player or official - hereafter collectively referred to as 'player') - of any Banned Substance and is strictly forbidden according to the terms of this Regulation.
- b. It shall be an offence for a player to bring to a place where polo is to be played, or to have in his possession or control at such a place, any substance listed in Part A or Part B of para 2 with the exception of Alcohol.
- c. A player shall have committed an offence where the result of an analysis of any urine, blood, hair or breath sample of his shows the presence of any Banned Substance listed in Part A of para 2.
- d. A player shall have committed an offence where the result of an analysis of any urine, blood, hair or breath sample of his shows the presence of any Banned Substance listed in Part B of para 2 if the presence of that substance was not attributable to any one or more of the following:
- (i) The injection or consumption of medical compounds or proprietary medicines in normal or recommended quantities entirely for recognised medical purposes, other than the treatment of drug addiction or dependency;
- or
- (ii) The ingestion of food or other nutritional substances in the ordinary course of dietary nourishment. In the absence of any explanation by the player accounting for the presence of any Banned Substance, the Stewards of the Hurlingham Polo Association (HPA) shall be entitled to infer that the presence of the Banned Substance was not so attributable. For the avoidance of doubt the Stewards are not required to accept the explanation of the player.
- e. A player shall have committed an offence:
- (i) where the result of an analysis of any urine, blood, hair or breath sample shows the presence of any Banned Substance in Part C of para 2 unless the player was in possession of a letter or other document issued to him by a medical practitioner prior to his taking the substance in question expressing an opinion to the effect that taking the substance would not impair the player's ability to play polo safely.
 - (ii) if he refuses or fails to submit to a doping control test when requested to do so by any HPA Doping Control Officer as defined in para 3 below.
- f. These Regulations mean that a player may still be in breach and have committed an offence even where he can establish that the source of the substance was a course of treatment prescribed or administered by a Medical Practitioner.
- g. For the purposes of these Regulations the result of an analysis will be established by a certificate from the laboratory conducting the analysis to the effect that the sample showed the presence of a Banned Substance or Substances. Where a player has elected to have the B sample analysed the certificate issued following analysis of the A sample will only be valid for this purpose if the analysis of the B sample confirms the presence (in the sample) of the Banned Substance(s) identified by the analysis of the A sample.
- h. All players are advised to inform their Medical Practitioners of the substances which are banned and of the provisions of para 1e.
- i. The Stewards have issued guidelines at Annex K concerning penalties which should be considered, in general terms, appropriate for breaches of the Regulations, but guidelines for doping offences are as follows:
- | | | |
|--|-----------------|---------------------------------|
| Cannabis: | First Offence: | One month ban and £500 fine. |
| | Second Offence: | Six month ban and £2,000 fine. |

This will be arranged by the HPA but will be at any time and at any place, including at the player's home and will be carried out at his own cost.

2. **Banned Substances.** The term Banned Substance shall include any isomer or homologue or diagnostic metabolite of a Banned Substance.

Note: Substances without thresholds will be declared positive at the limit of detection using such hybrid analytical techniques e.g. gas chromatography/mass spectrometry, as the laboratory in question considers to be appropriate.

3. **Doping Control Officer.** Doping Control Officers are those persons authorised by the Stewards to carry out Doping Control testing on behalf of the HPA.

4. **Testing.**

- a. Testing may be conducted by the HPA Doping Control Officers using saliva, urine, blood or hair samples.
- (i) Saliva testing is only to be used as a screening test and only for:
 - Part A - Cannabinoids, Amphetamines and Cocaine
 - Part B - Opiates and Opioids
 - Part C – Benzodiazepines,

The Doping Control Officer shall, if he considers that the result of a saliva test justifies it, require a urine, blood or hair sample immediately, or at any time within 24 hours.

- (ii) Urine, blood or hair samples may be required as an initial test without any preceding saliva test.
 - (iii) Breath samples will be used to test for alcohol (Part A).
- b. Testing may be carried out at clubs, at private grounds that are being used by a club for chukkas or matches or at any other venue deemed suitable by a Doping Control Officer.

- c. Testing may be random or can include testing of all players present at the venue for the purposes of playing or officiating at polo that day. The HPA Doping Control Officers will have permission to undertake, at their discretion, an alcohol breath test.
 - d. If requested by a club or official of the HPA, individual players may be selected for testing
 - e. A player must, if requested by an official of a club, or by an official of the HPA, or by an HPA Doping Control Officer submit to a doping control test. Any player requested to submit to a doping control test may not play in any organised match or chukka at an affiliated club until the sample(s) required by the Doping Control Officer has been provided. Refusal or failure to do so may be taken as if a positive test result had been obtained and confirmed, and dealt with accordingly.
 - f. Players under the age of 16 may be requested to obtain the consent of a parent or legal guardian to their participation in doping controls testing. A refusal or failure to obtain their consent may be taken as if a positive result had been obtained and dealt with accordingly.
5. **Collection Procedures.**
- a. **Procedures.** The sampling and testing will be carried out by HPA Doping Control Officers by methods and according to standards approved by the Stewards of the HPA who shall also approve standards for the custody, transport and security of samples from the place of testing to the laboratory where the analysis is to take place. Due compliance with such standards shall be presumed unless the player is able to establish that the standards were not complied with. A departure from such standards shall not invalidate the result of an analysis unless the Stewards are satisfied in any particular case that the departure is sufficiently serious as to cast doubt on the identity of the sample or its integrity prior to or during analysis.
 - b. **Urine, Blood or Hair Sample.** If a player is asked to give a sample of urine, blood or hair, this will be split into an A and B sample. Both samples will remain the property of the HPA. The A sample will be tested as soon as possible and the player will be given the opportunity to insist on an analysis of the B sample and to be present or to be represented at that analysis. The player must make his request for analysis of the B sample within three days of notification that a doping offence is suspected. The analysis of the B sample will be carried out as soon as possible by the HPA appointed laboratory; it may not be delayed by the player. When reporting results, the testing laboratory will follow IOC guidelines on reporting levels and may ignore small traces of some drugs and will offer advice on any positive tests. The cost of the analysis of the B sample will be met by the player if positive and by the HPA if negative.
 - c. **Using Alco-Sensor IV System.** This is for the analysis of Alcohol, and is performed with a breath test. The breath test is completed with a single breath. The result is printed out within one minute in triplicate, with a record of the analysis. The player is requested to sign one copy of the printout, a copy is given to the player and the third copy is for record keeping.
6. **Referral to Stewards and Provisional Suspension.**
- a. Any player who is suspected of a doping offence shall be referred to a Stewards Disciplinary Enquiry under the HPA Regulations.
 - b. Forthwith upon the HPA being notified that the A sample from a urine, blood or hair test is positive following the laboratory analysis, the player concerned will be automatically suspended from playing in any match or practice chukkas at or conducted by an Affiliated or Provisionally Affiliated Club in the UK or Ireland, until either:
 - the B sample tests negative
 or
 - the Disciplinary Steward or Officer accept the player's explanation following a positive analysis and decide not to refer the matter to a Stewards' Disciplinary Enquiry,
 or
 - the completion of any disciplinary process following a referral to a Stewards' Disciplinary Enquiry.

The Welfare Officer or his representative should be conversant with the Rules of Polo, in particular those concerning player's equipment, ponies and tack and when play is stopped for injury to a pony or tack and distribute the HPA booklet 'Polo Pony Welfare Guidelines' to owners and grooms. He should also:
- a. Ensure that his club members understand that they are responsible for the welfare of their ponies throughout the year.
 - b. Attend the HPA Welfare AGM in early April and pass on the information to his club members.
 - c. Complete returns as required by the HPA on injuries or fatalities that may have occurred during the season

- d. Maintain close contact with the local Veterinary Practice to ensure that the Club's responsibilities are met.
 - e. Check that ponies have passports and that vaccinations are up to date.
 - f. Check that for the players' safety ponies aged 16 or over have had a heart and eye test done by an MRCVS at the start of each season.
 - g. Oversee the maintenance and equipment of the horse ambulance and periodic practices of the procedure for taking an injured horse from the field of play.
 - h. Monitor the use of muzzles in the stables, especially those on site and the wintering of ponies within the area of responsibility of the club.
 - i. Be present at all matches so that he can:
 - (i) Monitor the pony lines throughout the season, but particularly at the beginning of the season, to check for skin disease, malnutrition, abuse and incorrectly fitted or illegal equipment. Any ponies in a poor condition should be referred to a MRCVS and if a pony has to be stopped from playing because of its poor condition, a report form must be sent to the Chairman of the Welfare Committee.
 - (ii) Check on horse transport in particular adequate ventilation and safe flooring, partitions and ramps.
 - (iii) Ensure that clean fresh water is available in the pony lines and that ponies are not watered direct from a trough but that a clean bucket is used to fill others
 - (iv) Check that there is no abuse of ponies by players within the grounds of the club or on the field of play and, if appropriate, submit a Report Form to the Tournament Committee. Report forms may be submitted for any welfare incident but should be for:
 - Excessive use of the whip or spurs.
 - Dangerous riding.
 - Any abuse of ponies on or off the ground.
 - Any use of non-registered vets or farriers.
 - (v) Check that:
 - Ponies are tied up sensibly and head collars are not left hanging.
 - Umpire ponies are well turned out and healthy.
 - Ponies are not allowed to continue to play if lame or showing blood (see Rule 4).
 - Ponies do not travel in studs.
 - Tongue ties if used are only fitted by a MRCVS and removed as soon as possible.
 - Bandages are put on last and not left on after the game.
 - j. **Veterinary Cover.** A veterinary surgeon who is a practicing Member of the Royal College of Veterinary Surgeons (MRCVS) must either be present or on immediate call at all matches. In addition a nominated club official should be in attendance at all matches and practice chukkas arranged by the club to deal with welfare issues. In the absence of a MRCVS (Vet), the Host Club Tournament Committee has the authority to stop a pony from playing.
 - k. **Best Playing or Turned Out Pony.** Clubs are encouraged to award a prize for the best playing or best turned out pony. They must however ensure that the pony is in a fit state to collect its prize - i.e. that it is not distressed, looks well and does not have spur or whip marks, a cut mouth, sore back or any other signs of injury. If a pony has received an accidental injury, such as a tread, then it should not be excluded from collecting its prize, provided that the injury has been properly treated. If a veterinary surgeon is present he should be asked to inspect the pony prior to the presentation.
 - l. **Horse Ambulance Cover.** Either a trailer with motor vehicle attached or a low loading lorry each with ramp equipped with a winch and screens must be available near to the ground at all times during play. Clubs should practice the procedure from time to time. As well as a winch and screens the horse ambulance should carry ropes, a drag mat, a spare head-collar, a tarpaulin, a bucket of sand, a knife for slitting saddlery and two lead ropes to cross tie a horse if necessary. If a trailer, the horse ambulance should and be hooked up prior to the start of a match with an earmarked readily available driver. There should also be earmarked a team of knowledgeable helpers on hand to help with an injured horse.
 - m. **Pony Euthanasia.** In the event that it is considered essential on humane grounds to put a pony down every reasonable effort should be made to contact the owner or his representative to obtain consent. In the absence of a legitimate representative refer to "owner" as defined in Rule 2.4a. Immediate euthanasia should be reserved for a pony that is 'in extremis' ie there is confidence that movement is inhumane and there is no foreseeable prospect of the pony recovering from its injuries. Chemical euthanasia is the method of choice in areas of public view. This will require carcass removal and incineration.
11. **Medical Cover.** Clubs should appoint a designated person as **Club Safety Officer** who shall complete returns on player injuries or fatalities as required by the HPA.
- a. Clubs must ensure that there will be present for matches as a minimum 2 qualified persons and for all

other polo at least one such person. The presence of a paramedic is recommended. A Qualified Person means one of the following:

- (i) A person having attended and completed a British Red Cross “Basic First Aid Course (module 7)” or a St John Ambulance “Emergency Aid for Appointed Persons Course” or an equivalent qualification, and completed such post-training refresher courses as are required to maintain a current attendance certificate.
 - (ii) A qualified Medical Practitioner registered with the General Medical Council in the UK, or equivalent bodies abroad.
- b. Clubs should inform their local ambulance service in advance that the match is taking place and ensure that the correct telephone number is readily available.
 - c. Should the umpire require medical assistance for an injured player, he should signal by waving his stick above his head.
 - d. **Concussion.**
 - (i) In the event of a player being concussed, the umpires, or if no umpires are present the senior player on the ground, will stop the game and arrange for the player to receive medical attention as soon as possible. If no doctor or paramedic is present when the accident occurs, it will be the responsibility of the umpires or the senior player present to decide if the player is concussed, and if so, the player cannot continue.
 - (ii) The symptoms of concussion include loss of consciousness, memory loss, confusion or disorientation, headache, dizziness, nausea, vomiting, drowsiness, neck pain, sensitivity to noise or light, blurred vision or poor balance.
 - (iii) If unable to answer accurately any of the following questions the player should be deemed concussed.
 - What venue are we at today?
 - What day of the week is it?
 - Which chukka is it now?
 - What is the name of your team?
 - What team position are you playing in the team?
 - (iv) If a player is concussed, the HPA must be notified by the club within 24 hours by fax or email and the HPA will notify all clubs that that player is suspended for a minimum of 7 days from the date of the concussion. See Rule 2.2j.
13. **Discipline.** Each Club shall appoint a **Club Disciplinary Officer** who should, in conjunction with the Polo Manager:
- a. Maintain good discipline amongst the players and members of the Club.
 - b. Keep a record of all report forms issued by the Club including those issued by other clubs to the members.
 - c. Advise the Club Committee in good time of any incident which may need further investigation or lead to the need for a Club Disciplinary Board.
 - d. Be fully conversant with the Procedure for setting up a Club Disciplinary Board as laid down in **Part 3**.
 - e. Inform the HPA Chief Executive or Discipline Officer of the proceedings and on their advice hold a Club Disciplinary Board or refer the case, if of a serious nature, to the HPA.
 - f. Take follow up action as laid down.
- In smaller clubs this duty may be carried out by the Polo Manager.

ANNEX H - GUIDELINES FOR GAME OFFICIALS

THE REFEREE

1. **Radios.** Ideally, the referee should be in contact with the umpires by radio but the referee and umpires should always be equipped with radios for matches umpired by members of the Professional Umpire Group. If in contact with the umpires by radio the Referee may invite the umpires to blow the whistle and award a penalty, particularly if he considers that there is a dangerous play or a foul off the play which the umpires have not seen, or if he considers that the umpires are not being shown due respect. Radios also enable the referee to brief the commentator. In any event, the referee should be able to contact the umpires at the end of each chukka and they should report to him at half time so that he can discuss with them the conduct of the game.
2. **No Radios.**
 - If the referee is satisfied that a foul occurred he should stand and raise one hand above his head and point with the other in the direction in which the hit is to be taken.
 - If he is not satisfied that a foul occurred he should stand and move his hands horizontally across his body.
 - If the referee is in any doubt, he should call the umpires to the side of the ground so that he can consult with them quickly out of earshot of the players and spectators. The umpires may consult in this way with the referee in their own right.
 - If the umpires disagree as to the penalty to be awarded, they will point to the two alternative spots (e.g. centre or 60) and the referee will point to the spot from which he considers the penalty should be taken.
3. **Yellow Flag.** It is the responsibility of the referee to establish if any players are starting on a yellow flag and to ensure that the umpires are passed that information.
4. **Appeals to the Referee.** Discussion between the umpires and reference to the referee will delay the game unnecessarily and undermine the authority of the umpires. The umpires after discussion are perfectly entitled to throw the ball in without reference to the referee. However, if they disagree as to the whether there has been a foul or as to what penalty to award, they shall appeal to the referee by raising an arm.

THE UMPIRES

5. **Personal Preparation and Conduct.** Polo is one of the hardest games to umpire and the umpire must:
 - a. Know the rules. This should include the names of all the Penalties
 - b. Concentrate on the play throughout.
 - c. Be respectful, consistent, fair, clear, firm and decisive.
6. **Prior to the Game.**
 - a. An umpire should be issued by the host club with an umpire shirt, whistle (check that it works), yellow and red flag, and pick up stick.
 - b. Check that the pony looks up to the job and is tacked for polo with ball bags.
 - c. Check on the teams' colours to ensure that there is sufficient contrast. The Umpires have the ultimate say.
 - d. Check whether any player is starting on a yellow flag.
 - e. Check on the other officials, the location of the referee, that the radios are working if being used, that the time keeper is alert.
 - f. Check on the location of the medical support.
 - g. Check the scoreboard to ensure any handicap difference has been correctly credited.
 - h. The umpires with the help of the referee if he is on the radio must police changing of ponies, ensuring that it is fair to both sides, so the changing boxes must be clarified with the host club.
 - i. Decide on which side and back line each is to take.
7. **Start of the Game.**
 - a. If no parade, ride onto the ground together at least two minutes before the scheduled start time of the match. The umpires should be informed if there is going to be a parade before the match. If so, it is advisable for the umpires to have decided ends before going onto the ground.
 - b. Identify the two team captains and toss for ends. The captain of the visiting team is normally asked to make the call.
 - c. Check the handicaps of the two teams and confirm that both team captains agree with the score as posted.
 - d. Check that the teams know where they can change ponies.
 - e. Check the length and serviceability of whips, length and sharpness of spurs, and that the players are wearing helmets with a 3 point harness. If not, the player shall not be allowed to play until he has a helmet that has been cleared as compliant with Rule 2.3a by a club official.

8. **Game Stopped or Abandoned.** Should the umpires decide that a match should be stopped, normally due to inclement weather making playing conditions unsafe, they and the referee should consult with the two team captains. If the game is to be stopped then the responsibility for restarting, rescheduling or scoring the match as if completed rests with the Tournament Committee.
9. **Splitting the Field.** Each umpire should have a back line and side line which dictates their positioning and it is important that umpires are clear as to their positioning during play and for all throw-ins and free hits.
10. **Free Hits.** Unless stated otherwise, an Umpire should normally go behind the striker for any free hit away from his back line so that he can either see and follow the line and get a clear view of an opposing player coming in for a meet, or for hits to goal see the flight of the ball which he must watch carefully as many disputes arise as to whether the ball went between the inside edge of the posts projected vertically upwards or not. The other umpire should be checking that the opposing side are not closer than permitted and should move up the ground level with the play, or for shots to goal checking that the ball was across and clear of the goal line and/or between the goal posts.
- Penalties 2, 3, 4 and 6.** Back line umpire behind the right-hand goal post looking onto the field of play with goal judge behind the other. If the team that has fouled is infringing the rules, the umpire shall raise an arm and allow the penalty to be taken as normal; if successful, play will be started with a Penalty 5b, teams having changed ends; if unsuccessful then a Penalty 7a shall be awarded.
 - Penalties 3, 4 and 6.** The stick may be raised above the shoulder of any player to stop or deflect the ball providing that the head of the stick does not move a significant distance as contact is made with the ball. Any action which the umpires consider dangerous should be penalised. Be on guard to penalise a full shot after the initial hit. A Penalty 8 will normally be awarded for any infringement by any member of the team taking the penalty but a Penalty 5a should be awarded from where the penalty was taken or was due to be taken if the infringement is considered to be deliberate or is a repeat offence.
 - Penalty 5a.** Penalty 5a (spot) should not be awarded against a defending team within their own 60 yard line. It would allow the team fouled to dribble the ball, which they would prefer, so it is important that the team that has fouled is suitably penalised. The umpires should award a Penalty 2, 3 or 4 having considered where the foul took place, the severity of the foul and the likelihood of a goal being scored if the attacker had not been fouled. There is no rule to say that the ball may not be taken back for a penalty.
 - Penalty 6.** The defending player will often argue that it was off another player and it is crucial that the rule is understood. If the view of the goal judge is consulted, ask for the facts, who hit the ball last and what it then deflected off, so that the rule can then be applied.
 - Ball Hit Out Over Side Lines.** If a team fails to play the ball within the 5 seconds, a Penalty 5a shall be awarded against them. If a player of the opposing team is within 30 yards and makes a play, a Penalty hit that moves the ball up the field shall be awarded.
11. **Calling Play and Delay.** 'Play' should be called as soon as the ball is dropped by an umpire or placed by a goal judge.
- Hitting Before 'Play' is Called.** If the striker hits or hits at the ball before "Play" is called the umpire shall blow his whistle and instruct the penalty to be retaken. If the offence is repeated, then the team should be penalised with a Penalty 8 (Throw-in).
 - Delay.** Delay is Unsportsmanlike Conduct and is often used to enable another member of the team to change ponies. A player may be warned but only once. He should then be penalised and may be awarded a yellow flag.
12. **Throw Ins.** An umpire takes any throw-in if it is away from his side line and then follows the line. The other umpire should position himself about 40 yards behind the players and then move up the ground level with the play. The ball should be thrown in in a consistent manner; hard, under hand and low to prevent players hitting wildly in the line-out.
All rough and dangerous play should be penalised instantly but umpires should not normally penalise players for crossing until the ball has left the lineout unless it is dangerous.
13. **Keeping up with Play.** Umpires must keep up with the game. Players are more likely to accept the foul if the umpire is close to the play.
14. **Goal Scored.** When a goal is scored, unless there is reason to allow the goal scorer more time to return to the centre, the aim should be to throw in the ball within about 25 seconds. Should a team cause unnecessary delay, a Penalty 5b awarded.
15. **Advantage Rule.** If an umpire chooses to allow play to continue he should say 'Play On' and raise his hand to signal that he has seen the foul but is playing the advantage. If the player fouled is unable to maintain the advantage then play should be stopped and the penalty awarded. The Advantage Rule should be used with discretion as the team fouled will usually prefer a penalty rather than to have play continue.
16. **Blowing for a Foul.** Umpires must blow the whistle quickly, decisively and loudly with one long blast to stop the play. A strong whistle is a sign of confidence and the timekeeper must be able to hear the whistle as well in order to stop the clock

- a. If either umpire sees a foul he should blow the whistle. If the umpire on the line blows for a crossing foul, the other umpire should usually defer to him unless he is very clear that the distance and speed were safe.
 - b. Having blown his whistle an umpire should take into account the degree of danger, where the foul took place, the direction of play, the position of the players and the frequency of similar fouls. He should check quickly that the other umpire agrees with the foul and the proposed penalty. This should be done by pointing or another pre-arranged signal. A defending team that has fouled has the opportunity to regroup and get into the best position for defence, thus the penalty should be made to count and moved up the ground. The penalty should be increased for any persistent breach of a rule.
 - c. The foul (umpires should know both the number and name of the penalties), the team that has fouled and the penalty awarded should then be announced and the umpire should drop the ball and call 'play' at which point the team fouled has 20 seconds to position and hit the ball. The ball should normally be dropped by the umpire due to go behind the striker.
 - d. If the whistle has been blown for a foul as a goal is scored see Rule 8f. If it is agreed that the defending team have committed a foul, the umpires have the option of a Penalty 1, a Penalty 5b or throw-in as normal. If awarding a penalty, the whistle must be blown to stop the clock.
17. **Appealing by Players**
- a. Helicoptering or any appeal which is dangerous or abusive must be penalised without warning.
 - b. Avoid getting into discussion with any player during the game but this does not mean that you cannot speak to players who genuinely wish to know why they have fouled, especially at the lower levels, and there can always be a discussion at the end of the game although this should be avoided if players are aggressive or upset. In avoiding discussion at any time, be polite and non-committal.
18. **Blowing to Stop the Clock.**
- a. It is not in the gift of the team captains to agree time out except if agreed for friendly matches or for a team is on borrowed ponies.
 - b. An umpire, particularly if he is alone, may blow the whistle to stop the clock for a good reason, such as to get into position or to pick up a ball.
 - c. **For Players or Ponies.** The umpires have a responsibility to do all that they can to prevent accident or injury to players or ponies and to protect the image of the sport and must therefore have a clear understanding of Rules 3, 4 and 21 - 24.
 - (i) If a pony has a bad fall or collision then it should be changed even though it might appear sound so that it can be more thoroughly checked in the pony lines.
 - (ii) If tack has been broken by contact with another pony and it is a danger to the player, start of play will be delayed until the player's return.
 - (iii) Time out should not be given for lost or broken tack such as a martingale, stirrup leather or iron, lost bandages or boots if, in the umpires opinion, there is no danger to the players or ponies.
 - (iv) If a player dismounts without good reason or makes insufficient effort to retain hold of his pony, a penalty should be awarded against his team.
19. **Accident.** In the event of a serious accident to a player or pony then the umpires must stop the game and summon medical or veterinary assistance by radio or waving the pick-up stick above their head.
- a. **Player.** They should keep everyone away from the medical team except those who are actively helping, consult with the Team Captain about possible substitutes and keep the commentator informed. The umpires should endeavour to restart the match as soon as possible and within 10 minutes. They must get clearance from the Medical Officer before allowing a player, who might have suffered concussion, to play. If no Medical Officer is present, this responsibility devolves onto the umpires.
 - b. **Pony.** If a pony is injured or stays down, the umpires **must tell** the players to form a circle. This will shield the pony from spectators and as a herd animal help it to settle. If a Veterinary Officer is present, he will take charge. Otherwise the umpires should ensure that screens are erected, if necessary, and the pony is removed by trailer from the ground as humanely and speedily as possible. The commentator should be kept informed.
20. **Line of the Ball and Precedence.** As a general principle, the player who creates the danger should be penalised. It is important to try to be consistent in what is blown and what is allowed.
- a. **Line of the Ball (LOB).** The LOB is the key reference from which the umpire must make his judgement as to who has precedence and he must therefore watch the play very closely to pick up the LOB every time the ball is hit and then immediately identify if anyone is on the exact LOB travelling in either direction. If no player is on the LOB, he is then looking for a player travelling in the same direction as the ball and at the narrowest angle. If at the narrowest angle a player has the right to play the ball on his off side and, because he has that option can only play the ball on his nearside if he can do so without endangering a player who is in position or can get into position to make a legitimate play without crossing the player with precedence.

- b. **Crossing and Turning the Ball.** Whether a player crosses another player in such a way as to foul is a judgement call by the umpires and will depend on their assessment of danger based on speed and distance. In open play the call is often easy but is more difficult when a player turns with the ball with an opponent following close behind. The player following has to commit to the play and is not committed if he checks or turns in anticipation of a backhand. The umpires must make a judgement on the level of commitment and be prepared to penalise the player turning before a collision occurs.
- c. **Possession of the Ball.** A player may not block the progress of an opponent in possession by positioning himself in such a way that his opponent cannot move forward. A player in possession should be allowed approximately 5 feet wide measured from the ball to the player's near side leg to continue down the LOB. Preventing the player from moving forward (shading) is done at all speeds and should be blown straight away and any penalty must be moved up the field.
- d. **Moving the Ball – One Tap Rule.** A player should be blown if he slows down, taps the ball once and then either he or a team mate fails to hit it way or run with it within 5 seconds from the tap.
- e. **Checking.** A player will often check to avoid a ride off, either because he knows he is beaten or to gain a foul on the basis that his opponent has not entered safely in front of him. It is a judgement as to whether the player checked and his opponent entered safely or he checked to avoid a nasty ride off. One of the players will always disagree so consistency is key. Should a player check so that an opponent can enter safely in front, the player cannot then accelerate into his opponent from behind.
- f. **Riding Off.** Shoulder to shoulder and same speed is key, and then a safe angle relative to the speed; as the speed increases so the angle needs to decrease. If a player rides in from behind, he must be penalised, whether or not his opponent is playing a forehand or backhand shot. A player may not put his pony at risk by riding over the ball and into an opponent who has already started the downward swing of a full forehand or backhand stroke. This does not prevent a player from riding off when an opponent is tapping the ball or has not started the downward swing of a full forehand or backhand stroke.
- g. **Hooking** A player may hook legitimately the stick of an opponent at the same time as the opponent is being ridden off by a team mate.
- h. **Dangerous Play.** A player who is holding the ball should be penalised if he is judged to have created the danger by then playing a full shot into a player or pony who has positioned himself legitimately.
- i. **Unsportsmanlike Conduct.**
- (i) Unless there are exceptional circumstances a player must be penalised if either he whips his pony when the ball is dead or whips with excessive force, in particular with his hand off the reins, or so that the crack can be heard around the ground or is persistent in the use of the whip.
 - (ii) If a hit is made after the whistle for a foul, the umpires should either increase the severity of the penalty if the hit is by a member of the fouling team, or cancel the penalty, or decrease its severity if the hit is by a member of the team fouled.
21. **Flags.** A 'technical' is no longer awarded and the umpires have the option of awarding a yellow or red flag. A player should be awarded a flag for any dangerous or deliberate foul or unsportsmanlike conduct. See Rule 51.
22. **Report Forms.** The umpires are required to fill in a Report Form for certain irregularities or incidents of misconduct during or after the game. See 2.6 and Part 3. A Report Form will not normally be completed for a yellow flag unless the offence is committed after the end of the match. A report form shall be completed for a red flag.

THE GOAL JUDGES – RULE 5D

23. It is recommended that Clubs draw up their own set of standing orders to be issued on signature to all goal judges. The Club has the responsibility to ensure that:
- Goal judges are fully trained, fit and active, and of an age as laid down by the Health and Safety at Work Executive, with parental permission if required.
 - A line is drawn 20 yards away and parallel to the goal line.
 - Goal Judges are not used when play is in progress simultaneously on two grounds with back-to-back goals.
 - They have a bag or box of balls, a white flag and access to spare goal posts.
 - They have the ability to change a goal post if it is broken and widen the goals if required.
 - They are properly briefed as set out below.
24. The goal judge should never get into discussion with a player as he is answerable only to the umpires who should protect him from pressure and abuse.
25. **Before Play.** The goal judges should be in position 10 minutes before the start of the game. They should:
- Wear distinctive clothing such as white coats and protective headgear (a riding or cricket helmet is recommended but not a cycle helmet) which should be issued to them. Wet weather clothing should also be available.

- Ensure that all impedimenta, e.g. chairs, ball boxes, spare goal posts, is at least 30 yards behind goal posts. Other items such as bicycles should be placed well away from the ground so that they are not a danger to players or loose horses.
 - Check that the goals posts are in the correct position and that they are vertical.
 - Check that they can distinguish from the team colours which side is attacking and which defending.
26. **During Play.** The goal judge must observe the play carefully at all times as the situation can change very quickly. At all times however, he must remain behind the 20 yard line until the ball is out of play and the ponies have slowed down. When play comes down the left hand side of the ground, the goal judge should begin to move to the right to keep the ball in his sight between the posts and if the play comes from the right, he should move to the left. Should there be two goal judges for each goal, they will work as a pair. They must be particularly alert to avoid being ridden down as the options for the players are reduced. The goal judge must also keep his eye on the ponies as they approach to see which way they are turning or swinging. Evasive action should be taken if essential but it is normally better to stand still as the player will turn away. It is an offence for two players to ride each other off over the goal line.
27. **Between Chukkas.** Between chukkas he must remain alert to players coming onto the ground to stick and ball and the umpires coming to replenish their ball bags. He should tread-in in front of his own goal, especially at half time, and collect up any stray balls.
28. **Umpires Whistle.** The goal judge must also be on the alert for an umpire's whistle which will render the ball dead. The ball should not be hit after the whistle so if the ball subsequently goes through the goal or over the back line, no action should be taken by the goal judge.
29. **Goal Scored.**
- **Certain Goal Scored.** If the goal judge is certain that a goal has been scored (i.e. the ball went over and clear of the goal line and inside the goal post projected vertically), even though play continues, he will wave his flag vigorously over his head. Judgement may be required if the ball hits a flag blowing in the wind, or if the ball swerves in the air or goes over the post.
 - **Uncertain if Goal Scored.** It is sometimes difficult for the goal judge to be certain that a goal was scored. In this event, he should make no signal. The umpires should ask for his view but the decision will be made by the umpires who will instruct him either to wave his flag to signify a goal or to place the ball for a hit-in.
30. **Ball Hit over Back Line.**
- **By Attacker.** If the ball is hit over the back line by an attacker, then the goal judge should signal by holding a ball above his head. When the ponies have slowed down he should run forward (the clock is not stopped) and place a ball within the field of play and clear of the back line at the point where it crossed but no nearer than 4 yards from a goal post or the boards. He should place the ball so that it is sitting on grass and easy to hit. **The hitter has to hit the ball within 10 seconds of him placing it so there is no time for a player to re-position the ball.** He should then pick up any loose balls and return swiftly behind the 20 yard line.
 - **By Defender.** If the ball is hit over the back line by a defender, then the umpires will blow the whistle and award Penalty 6 which is free hit on the 60 yard line opposite where the ball crossed the back line but no further than 40 yards out from the centre. The umpires might ask the goal judge who hit the ball over the back line or the last pony or stick off which the ball deflected.
31. **Penalty 1.** If the umpires award a Penalty 1 or a goal as a result of a foul by a defender, they will instruct the goal judge to wave his flag as if a goal had been scored.
32. **Positioning for Free Hits at Goal.** Looking onto the field of play, the goal judge should be positioned so that he can see whether the ball passes inside the inner edge of the left-hand goal post. He should be well back so as not interfere with players. An umpire will cover the right-hand goal post. The umpires will normally raise a hand if they are satisfied that it was a goal

THE TIMEKEEPER – RULE 5E

33. The club has a responsibility to ensure that the timekeeper is provided with a bell or horn and a proper polo stop-clock, which can be stopped and started at will. This clock will govern the time; any clock on the scoreboard is for guidance only. He will also require an ordinary stopwatch as a back-up and to time the extra 5 seconds of play (see below) and when a player is sent off for 2 minutes of play.
34. **First Chukka.** Five minutes before the advertised start time ring the bell to alert the teams and officials. Ring the bell again if instructed to do so.
35. **Intervals.** Intervals are 3 minutes between chukkas and 5 minutes at half time, taken after the 3rd chukka in a 5 chukka match. Ring the bell when the 3 or 5 minutes is up. In the event of a tie and extra time, the interval shall be 5 minutes.

36. **Starting the Clock.** Do not start the clock until the ball is put into play. For a throw-in, it is when the ball leaves the umpire's hand and for a free hit it is when the player hits or hits at the ball.
37. **Stopping the Clock.** During a chukka the clock is only stopped when the umpires blow the whistle. This will usually be for a foul but may be for another reason such as an injury or fall. Note that the clock is not stopped:
- when the ball is hit out of play, over the side-lines or boards or backline, unless over his own backline by a defending player in which case the umpires will blow the whistle.
 - when a goal is scored unless the umpires blow for a foul as a goal is scored. If the umpires decide there was no foul and to award a goal they will instruct the goal judge to wave his flag and at this moment the clock should be restarted. However, should the umpire blow his whistle for a second time this will indicate that a penalty has been awarded in which case the clock should not be restarted until the ball is put into play.
38. **End of Normal Chukka.** It is the Timekeeper's duty to ring the bell when 7 minutes of playing time has elapsed, and again 30 seconds later if play has not already stopped. Great care must be taken that the first stroke of the bell coincides exactly with the termination of the 7 and 7½ minutes as the ball may go through the goal just before the first stroke of the bell in which case the goal should be allowed, or just after in which case the goal should be disallowed. The Timekeeper's responsibility in this matter is therefore of great importance.
39. **Last Chukka.** The last chukka ends on the first bell unless teams are tied in which case the extra 30 seconds are played.
40. **Additional 5 Seconds.** It is very important that the timekeeper understands when he adds 5 seconds as his bell, which might be the first or second bell depending on whether teams are tied, ends the chukka. If the whistle is blown within the last 5 seconds of the final chukka, either prior to the first bell, or to the second bell because teams were tied when the first bell was rung:
- a. If no penalty is awarded, play shall continue for the time that remained before the whistle was blown after which time the bell shall be rung. In this instance it is unlikely that the score will change and teams may or may not be tied.
 - b. If a penalty is awarded, a further 5 seconds of play from the time the ball is put into play shall be allowed after which time the bell shall be rung. If there were 3 seconds left, the time keeper must allow 5 seconds, so 2 seconds will have been added to the game. In this instance, the score might change to give the lead to one team or to produce tied teams or to leave teams tied.

Note that within the last few seconds, the whistle might be blown again in which case the above applies.

PART 3: HPA DISCIPLINARY PROCEDURES

1. Definitions.

a. **Board.** A Board means:

- (i) In the case of a Disciplinary Hearing of a Club those persons or officers of the Club being at least three in number who are authorised or appointed by the Club rules to conduct a Disciplinary Hearing. In exceptional cases a Club Disciplinary Hearing may be conducted by one such person.
- (ii) In the case of a Disciplinary Hearing of the HPA or an Appeal to the HPA from a Club Board it shall mean those persons being at least three in number whom the Chief Executive or the Stewards shall have convened together for that purpose in accordance with para 6.
- (iii) In the case of an appeal from the decisions of a HPA Board it shall mean the Appeal Board appointed in accordance with para 8 below.

b. **Club.** Club means an affiliated or provisionally affiliated Club.

c. **Disciplinary Investigation.** A Disciplinary Investigation is such investigation adopted by a Club or the HPA as the case may be to establish whether a Disciplinary Incident be made the subject of a Disciplinary Hearing, and to identify the Party or Parties Charged.

d. **Disciplinary Hearing.** A Disciplinary Hearing is the process by which a Board considers whether the Party Charged is guilty of Misconduct. It will usually, but not necessarily, be a process which includes an oral hearing.

e. **Disciplinary Incident.** A Disciplinary Incident means an incident which in the view of a Club, a Club Disciplinary Officer, the HPA Chairman, a Steward, the Disciplinary Officer, the HPA Chief Executive, the Chairman of the HPA Polo Pony Welfare Sub Committee, the Chief Umpire, or the Doping Control Officer, might be an example of Misconduct. Such a view may be reached on the basis of information provided by any person.

f. **Disciplinary Officer.** The Disciplinary Officer means the person appointed by the Stewards to act as the deputy to the Disciplinary Steward. He will receive the top copy of a report form dealing with a Disciplinary Incident and will thus often be the initiator of a Disciplinary Investigation. He may act as the Prosecuting Officer in the absence of the Disciplinary Steward at an HPA Disciplinary Hearing.

g. **Disciplinary Steward.** The Disciplinary Steward means the Steward who is appointed by the Stewards from their number to oversee all matters of discipline as laid out in these Regulations. He will normally act as Prosecuting Officer at HPA Disciplinary Hearings but another may be appointed to act in this role which could be a lawyer in which event the phrase 'Disciplinary Steward' shall be deemed to include such person.

h. **Chairman of the Polo Pony Welfare Disciplinary Sub Committee.** The Chairman of the Polo Pony Welfare Sub Committee means the person appointed by the Stewards to oversee all matters pertaining to polo pony welfare. He will receive the top copy of a report form if appropriate and will act thereafter as would the HPA Disciplinary Officer.

i. **Club Disciplinary Officer.** The person appointed by a Club to oversee any disciplinary matters within the club.

j. **Doping Control Officer.** Doping Control Officers are those persons authorised by the Stewards to carry out Doping Controls testing on behalf of the HPA.

k. **Friend.** A person who may accompany the Party Charged to help with translation or assist the Party Charged in asking or answering questions but who will normally not be allowed to represent the Party Charged or address the Board.

l. **Member.** Member includes all persons referred to in **Annex A**.

m. **Misconduct.** Misconduct means conduct, wherever it may take place, which in the opinion of a Board is prejudicial to the interests and good order or reputation of the HPA or the game of polo and may include, without limitations, repeated, persistent or serious breach of the HPA's playing or other Rules or Regulations or Directives, from time to time in force, or is otherwise unsporting.

n. **Party Charged.** A Party Charged means a player, other person or Club whose conduct (whether alone or with others) is the subject of a Disciplinary Hearing.

o. **Party Concerned.** A Party Concerned means a player, other person or Club whose conduct (whether alone or with others) is the subject of a Disciplinary Investigation or who may have information which is relevant to it.

2. Reporting and Referral of Cases

a. **Report Forms.** A Disciplinary Incident will commonly be initiated via a Report Form (see Rule 2.7) submitted to the HPA by the umpires, an HPA or Club official or a Veterinary Surgeon. Report forms may be obtained from Clubs and shall be used to report disputes, complaints and Disciplinary or Welfare

Incidents to the Chief Umpire or the Chairman of the Polo Pony Welfare Sub Committee. One copy will be sent to the HPA Disciplinary Officer or Chairman of the HPA Polo Pony Welfare Sub Committee as appropriate by the Club where the incident occurred, one copy should be retained by the Club and one given to the Party Concerned.

- b. **Direct Referral to the HPA.** An Affiliated or provisionally affiliated Club, a Club Disciplinary Officer, the Chairman, a Steward, the Disciplinary Officer, the Chief Executive, the Chief Umpire, the Chairman of the Polo Pony Welfare Sub Committee or the Doping Control Officer may refer any Disciplinary Incident or matter which might be considered misconduct direct to the HPA.
- c. **Suspension by Disciplinary Steward.** If a Disciplinary Incident is reported direct to the HPA, the Disciplinary Steward may suspend any player involved in it from playing pending the conclusion of the Disciplinary Investigation or Disciplinary Hearing as the case maybe. A player so suspended may apply in writing to the Chairman of the HPA Board for such suspension to be lifted.
- d. **Reporting to HPA.** All disciplinary action taken by Clubs, whether under the HPA Rules, Regulations and Directives or not, shall be reported to the Chief Executive of the HPA by the Club orally and in writing as soon as possible after the Disciplinary Hearing has taken place.

3. Club Disciplinary Investigations and Hearings

- a. **Responsibilities.** If a Disciplinary Incident occurs at a Club, that Club shall promptly conduct a Disciplinary Investigation. A Club must hold a Disciplinary Hearing as soon as possible without necessarily a preliminary investigation if:

- (i) A player is sent off for the rest of a match.
- (ii) A report form is received from a MRCVS or an official of the Club or HPA concerning abuse or cruelty to a pony .

If the game was being played at another club or private ground, the club that is running the tournament, and thus providing the club officials, has the responsibility to hold a Disciplinary Investigation.

- b. **Statements.** The scope and conduct of a Disciplinary Investigation is a matter for the Club. Subject to that overriding discretion the Club Disciplinary Officer should obtain written statements from the officials concerned, to include the umpires and referee if relevant, any other witnesses and all Parties Concerned, on the same day or as soon after the Disciplinary Incident as is reasonably practicable. Where relevant, a copy of any video/DVD or digitally or electronically stored images or recordings should also be obtained. Any potential Board members should at this stage avoid contact with all Parties Concerned or any witnesses beyond receiving the complaint or report from a match official. Where such interview(s) has taken place, a detailed summary should be prepared for presentation at any subsequent Disciplinary Hearing .
- c. **Result of Disciplinary Investigation.** The Club Disciplinary Officer shall examine the statements of all Parties Concerned, seek information and assistance from Club and HPA officials as he thinks desirable and decide whether there is credible evidence of Misconduct. If he so decides, a Club Hearing shall be held, but if not he shall inform all Parties Concerned and the HPA. If the HPA decides that the evidence or the nature of the Disciplinary Incident warrants the holding of a Disciplinary Hearing it may direct the Club to constitute a Board for that purpose or convene an HPA Board.
- d. **Club Board.** If a Club Disciplinary Hearing is to be held the Club Disciplinary Officer shall:
 - (i) Prepare a charge sheet as outlined in **Annex A**. The breach of a Rule must be serious enough to amount to Misconduct as defined and there may be more than one offence.
 - (ii) Convene a Board for a Disciplinary Hearing on the same day or as soon after the completion of the Disciplinary Investigation as is reasonably practicable. In any event, such a Hearing should take place before the next match in which the Party Charged is scheduled to play, particularly where such a match is part of the same tournament in which the Disciplinary Incident occurred. No person who has any conflict of interest in relation to the Party Charged or the team in which he was playing at the time of the incident should be a member of the Board.

The Party Charged and all the Board should be informed and given a copy of the charge sheet, which should include the time and place for the Hearing, and the witness statements and any other available evidence. A copy should be forwarded to the HPA. A brief for the Chairman and Board Members is at **Annex B** and Guidance Notes for the Party Charged are at **Annex C**.

- e. **Witnesses.** Ideally, all witnesses and the Party Charged should attend the Disciplinary Hearing but, where that is not possible, the Party Charged should be informed of the material substance of all evidence, and shall be provided with copies of all written statements that are put before the Board, and be given an opportunity of responding to such evidence before the Board reaches its decision. Associate Members shall give such assistance as the Club may require in connection with Disciplinary Enquiries including attending and giving evidence and producing relevant videos under their control at any Disciplinary Hearings if so required by the Club Board.

- f. **Legal Representation.** The Party Charged, whether or not a member of the Club in question, shall only be permitted legal or other representation if the Rules of that Club permit this for its members. The Party Charged shall be entitled to make oral representation to the Club Board, present evidence and to call witnesses. He may also be accompanied by a friend.
- g. **Record.** The Club must take as full a note as possible of what is said at any Disciplinary Hearing. It is especially important that an accurate record is made of the substance of the evidence of the Party Charged and material witnesses. In every case where the Club deals with the incident, the Club must pass details of the case to the HPA as soon as possible. This shall include details of the incident, whether or not the Party Charged pleaded guilty, a summary of evidence and the penalty awarded with brief reasons. See **Annex D**. Where the case is referred to the HPA by the Board, as full a record of the Disciplinary Hearing as possible and all evidence must be passed on as quickly as possible, and usually within two days, to the HPA.
- h. **Precedence of Rules.** If a Disciplinary Incident occurs at a Club and there is a conflict between the Club rules and the HPA Rules, Regulations and Directives, then the HPA Rules, Regulations and Directives will prevail.
4. **Club Findings**
- a. **Findings.** If the Club Board is satisfied that a Party Charged, is guilty of Misconduct and the Party Charged is a member of the Club in question or is playing in a tournament or match being organised by that Club, it may:
- (i) Dismiss the matter, or
 - (ii) Warn the Party Charged, or
 - (iii) Impose such penalty or penalties or take such action as may be provided for in the rules or regulations of the said Club, and/or
 - (iv) Impose such penalty or penalties as are provided for in **Annex E** to these Regulations, or
 - (v) Refer the case to the HPA.
- All fines imposed under these Regulations are payable to the HPA.
- b. **Referral and Suspension.** If referred to the HPA, the Club Board may suspend the Party Charged from playing in the remainder of the tournament and/or from the Club, pending a decision by the HPA Board. The Party Charged may apply in writing to the Chairman of the HPA Board for such suspension to be lifted.
5. **Appeal to the HPA.**
- a. **Right of Appeal.** Any Party Charged upon whom a penalty is imposed by a Club Board under or purportedly under these Regulations shall have the right to appeal to the HPA, provided the Chief Executive shall have received his written request to that effect within seven days of the decision in question. The request, which shall state the grounds for the appeal, shall, unless the Chairman of the HPA Board agrees on grounds of hardship or other exceptional reason that it may be waived, be accompanied by a deposit of £500 which shall be liable to forfeit at the discretion of the HPA Board on concluding the Disciplinary Hearing. This right of appeal shall not be available in respect of any penalty or disciplinary action which the Club Board may impose or take against a member of their own Club under its own rules unless it is a Disciplinary Incident within the meaning of the Regulations.
- b. **Hearing of Appeal.** An appeal shall take the form of a full hearing with the attendance of witnesses. Upon such an appeal, the HPA shall have full power to impose any of the penalties provided for in **Annex E**. In addition to declaring the deposit forfeit, they may impose a more severe penalty than the Club if they are of the opinion that the request for an appeal was frivolous and ought never to have been made, or that it is otherwise justified or appropriate to do so.
6. **HPA Disciplinary Investigation and Hearing**
- a. **HPA's Powers.** The HPA has full power to conduct a Disciplinary Investigation or to hold a Disciplinary Hearing into any Disciplinary Incident whether or not the said Disciplinary Incident has been the subject of a Disciplinary Investigation or Disciplinary Hearing of a Club and whatever has been the decision or outcome of such Club processes.
- b. **Referral by the Club to the HPA.** A Club, having held a Disciplinary Hearing, may refer the matter to the HPA in which event the Disciplinary Steward will decide whether or not to hold an HPA Disciplinary Hearing. If, however, the matter is referred to the HPA by a Club or HPA Official direct then the HPA Disciplinary Steward will consider the evidence and decide if the Club concerned or the HPA should hold a Disciplinary Investigation and/or Hearing. If he decides it should be the Club he shall so direct the Club. If it is his opinion at any stage that there is no case or insufficient evidence of Misconduct, the parties involved will be informed.

- c. **Convening of a Board.** Where it is decided to hold an HPA Disciplinary Hearing, the HPA shall prepare a charge sheet as necessary (see **Annex A**) and convene a Board as soon as practicable and usually within fourteen days of the matter being referred to them.
- d. **Selection of the Board.** The Board will be selected by the Chairman of the Disciplinary Committee or the Chief Executive and will comprise no less than three nor more than five persons. The Chairman of the Disciplinary Committee or the Chief Executive will nominate one of them to be the Chairman. Neither the Disciplinary Steward nor any person connected in anyway with the case or any persons involved shall be eligible to sit as a member of the Board. It may also be considered inappropriate in some cases for members of the same Club as the Party Charged to be selected. No person may serve on a Board who was on the Club Board enquiring into the same incident, but the person who chaired the Club Board may attend the Hearing before the HPA Board and may give an account of evidence given before the Club Board by any witness. The Party Charged shall be notified promptly of the composition of the Board, and any objection on the grounds that the inclusion of one or more of the persons selected would be unfair on an actual or apparent conflict of interest or bias basis shall be made with sufficient particulars within 48 hours of the notification failing which any grounds for objection merely on an apparent conflict of interest or bias basis on known facts shall be deemed waived. An objection shall be determined by the Board as soon as practical.
- e. **Location of Hearing.** The location of a Disciplinary Hearing will be decided by the Chief Executive in consultation with the Chairman of the Board. A brief for the Chairman and Board Members is at **Annex B**.
- f. **Suspension of Official.** If the Party Charged holds any official position with the HPA he shall be automatically suspended from office pending the outcome of a Disciplinary Hearing. For these purposes, “official” bears its ordinary and natural meaning and includes but is not limited to members (including ad hoc members) of any HPA committee. Reinstatement of such office thereafter shall in every case be subject to the express approval of the Chairman of the HPA whether or not the conduct of the Party Charged was found to be Misconduct.
- g. **Witnesses.** Associate Members and any person who has agreed or is deemed to be subject to these Regulations shall give the Board such assistance as it shall require including attending to give evidence and producing relevant evidence of any description under their control whenever asked to do so, including at any hearing before the Appeal Board.
- h. **Evidence.** All written evidence, papers and/or videos/DVDs or digitally recorded or electronically held data on which the Disciplinary Steward intends to rely together with a list of witnesses and a summary of their evidence should, where within reason practicable, be made available to all the Board and the Party Charged not less than four days before the hearing.
- i. **Objections.** The Party Charged will be entitled to put forward any objections in writing within 24 hours of notification.
- j. **Requirements of Party Charged.** Guidance Notes for the Party Charged are at **Annex C**. The Party Charged when notified of the date of the hearing before the Board must if required provide the HPA with **Appendix 1 to Annex C** completed and signed. This includes how he intends to plead, a list of witnesses whom the Party Charged intends to call with a summary of their evidence, and any other evidence the Party Charged wishes to rely upon including any relevant videos under the control of the Party Charged as the HPA may direct but, in any event, not less than two days before the date of the hearing.
- k. **Legal Representation.** The Party Charged shall be permitted to be accompanied by a Friend and to be legally represented. Where the Party Charged intends to be legally represented he must, at least 24 hours prior to the time fixed for the hearing, notify the Chief Executive of the identity and contact details of the lawyer concerned.
- l. **Non-legal Representation.** The Party Charged shall not be entitled to non-legal representation unless, following an application made by the Party Charged, the Chairman considers that there are special reasons to permit otherwise. A request to be permitted non-legal representation shall be made in writing at least 24 hours prior to the time fixed for the hearing, excluding weekends and bank holidays, with the reasons advanced as to why the Chairman ought to depart from usual practice.
- m. **Oral Representation.** The Party Charged shall be entitled to make oral representation and present evidence to the HPA Board and Club Board in the course of a Disciplinary Hearing and to call witnesses.
- n. **Undisclosed Evidence.** The Board may decline to hear evidence the nature of which has not been disclosed in advance as required by this regulation or order of the Board or it may adjourn on such terms including terms as to costs as, in its discretion, it thinks fit.
- o. **Umpires Attending.** The Disciplinary Hearing should be attended by the umpires where the Party Charged has been reported by the umpires.

- p. **Recording.** The Chairman may order that a digital or electronic recording be made of the proceedings; any such recording shall be the property of the HPA.

7. **HPA's Findings**

- a. **Findings.** If the Board is not satisfied that the Disciplinary Incident constitutes misconduct, it may either dismiss the case or call for further evidence. If the Board is satisfied that the Disciplinary Incident constitutes Misconduct, the Board must give reasons for its decision in respect of the charge or charges and any penalty. See **Annex E**.
- b. **Notification of Suspension.** The Board shall publish its decision to all Clubs within seven days of its final hearing. Should the Board decide to suspend or expel a Party Charged, notice of such suspension shall be posted in the Club concerned for a period of not less than fifteen days. The suspension shall be notified to such overseas associations or clubs as the HPA shall decide. See **Annex D**.

8. **Appeals from the Decisions of an HPA Board.**

- a. **Appeal.** There shall be no appeal from a decision or finding of a HPA Board except as provided for in Regulation 8.b and c.
- b. **Right of Appeal.** If the Board imposes a suspension on the Party Charged for a period of more than 21 days or two matches in a tournament and/or a fine in excess of £500 the Party Charged shall have the right to appeal to the Appeal Board on the following grounds:-
- (i) The finding of the Board was clearly wrong.
 - (ii) The conduct of the Disciplinary Enquiry of the Board was unfair.
 - (iii) The penalty was disproportionate save that this ground shall not apply in respect of a penalty imposed for a doping offence in accordance with para 1.i of Annex E to Part 2.
 - (iv) There is new evidence not reasonably available at the time of the Disciplinary Enquiry which, had it been considered by the Board, would probably have caused them to find that the Disciplinary Incident did not involve Misconduct on the part
- of the Party Charged or the penalty they imposed would probably have been materially different.
- (v) That the reasons given by the Board are insufficient to support the decision.
 - (vi) That there was insufficient evidence on the basis of which a reasonable Board could have made the decision in question.
 - (vii) That the Board misconstrued or failed to apply Regulations or Directives relevant to the decision.
- c. **Rehearing.** The right to appeal shall not be limited to the grounds set out in Regulation 8.b above and the appeal will be by way of a full rehearing where the decision of the Board appealed involves:-
- (i) A period of suspension of more than 90 days; or
 - (ii) A period of suspension of which at least 30 days is to be served between the months of May to October inclusive; or
 - (iii) A fine of more than £5000; or
 - (iv) The substance of the Disciplinary Incident in question is a dishonest act on the part of the Party Charged which the Board find substantiated.

The Appeal Board shall additionally have discretion to entertain an appeal by way of a full re-hearing in any case where the HPA so agrees or where Appeal Board considers that the interest of fairness requires it to hear evidence to determine the facts in dispute.

- d. **Legal Representation.** The Party Charged shall be permitted to be accompanied by a friend and to be legally represented. Where the Party Charged intends to be legally represented he must, at least 24 hours prior to the time fixed for the hearing, notify the Chief Executive of the identity and contact details of the lawyer concerned.
- e. **Application to Appeal.** The Party Charged wishing to appeal to the Appeal Board must apply in writing to the Chief Executive within 14 days of the publication of the decision appealed against. The application shall state whether the Party Charged intends to be legally represented; whether he desires the appeal to be by way of a rehearing and generally the basis upon which the appeal is sought. In all other circumstances the application shall state on which of the grounds set out in Regulation 8.b the appeal is based. In either case the application must be signed by the Party Charged and accompanied by a deposit of £1,000 which is liable to be forfeited at the discretion of the Appeal Board at the conclusion of the appeal process. In any case, where the Party Charged wishes an appeal to proceed by way of written submission only, the application for appeal shall so state and be accompanied by the said submissions. Pending the result of an appeal to the Appeal Board, the decision of the Board will be deemed to be effective and valid.
- f. **Time and Place of Hearing.** Within fifteen days of receipt of the Appeal Notice by the HPA, the Chief Executive shall give the Party Charged a minimum of seven days' written notice of the time and place of the hearing.
- g. **Nomination of Appeal Board.** The Appeal Board shall be chaired by a person who is a member of a panel ('the Appeal Chairmen Panel') established by the HPA of persons eligible to serve as chairman of an Appeal Board. The person in question shall be appointed by the Chairman for the time being of

the Appeal Chairmen Panel who may appoint himself. The person so appointed shall appoint two other persons to sit on the Appeal Board. Such persons shall be selected from a panel ('the Appeal Board Panel') established by the HPA of persons eligible to sit on an Appeal Board. No person selected to serve on an Appeal Board shall have any material connection to the Party Charged or the team for which he was or is playing at the time of the Disciplinary Incident or the hearing, but the person who chaired the HPA Board may attend the Appeal Board and may give an account of evidence given before his Board. The principles governing the establishment and maintenance of the Appeal Chairmen Panel and the Appeal Board Panel are set out below.

- h. **The Appeal Chairmen Panel ('the Panel')**
- (i) There shall be no less than two nor more than four members of the Panel whose initial appointment shall be made by the HPA for a period of three years.
 - (ii) Appointees and any persons subsequently appointed to fill vacancies from time to time shall be present or past members of the legal profession who shall not at any time have served as a Steward of the HPA nor in the five years prior to appointment shall they have served on any committee of the HPA or provided any professional or other paid services to the HPA.
 - (iii) The HPA may not remove from the Panel any person appointed to it.
 - (iv) The initial appointees shall select from their number a chairman, and members of the Panel may by simple majority replace any chairman, in each case following consultation with the HPA. The chairman appointed for the time being is referred to below as 'the Chairman'
 - (v) Members of the Panel shall resign on reaching the age of 75 unless in any individual case the Chairman after consulting with the HPA and other members of the Panel shall decide otherwise.
 - (vi) The filling of any vacancies shall be effected by the Chairman following consultation with other members of the Panel and the HPA.
 - (vii) The HPA shall agree with the Chairman any remuneration for members of the Panel who are appointed to serve on an Appeal Board, and the HPA shall reimburse members their reasonable expenses for serving on an Appeal Board or attending any meetings convened by the Chairman.
 - (viii) The Chairman shall also act as chairman of the Appeal Board Panel (see below).
- i. **The Appeal Board Panel ('the AB Panel')**
- (i) There shall be no less than four nor more than six members of the AB Panel whose initial appointment shall be made by the HPA for a period of three years.
 - (ii) Appointees and any persons subsequently appointed to fill vacancies from time to time shall have been an Associate Member of the HPA at some time past but not in the three years prior to their appointment to the AB Panel nor shall they at any time have served as a Steward of the HPA nor in the five years prior to their appointment shall they have served on any committee of the HPA or been employed by or provided any paid services to the HPA.
 - (iii) The HPA may not remove from the AB Panel any person appointed to it.
 - (iv) The Chairman of the Panel shall ex officio be a member of and shall also chair the AB Panel.
 - (v) Members of the AB Panel shall resign on reaching the age of 75 unless in any individual case the Chairman after consulting with the HPA and other members of the AB Panel and the Panel shall decide otherwise.
 - (vi) The filling of any vacancies shall be effected by the Chairman following consultation with other members of the AB Panel and the HPA.
 - (vii) The HPA will reimburse members their reasonable expenses for serving on an Appeal Board or attending any meetings convened by the Chairman but members of the AB Panel other than the Chairman shall not otherwise be remunerated.
- j. **Evidence.** Associate Members and any person who has agreed or is deemed to be subject to these Regulations shall give the Appeal Board such assistance as they shall require including attending to give evidence and producing relevant videos under their control at a hearing.
- k. **Findings.** The Appeal Board shall not be bound by any findings of the HPA Board and may by a simple majority confirm or reverse the decision of the HPA Board, or may exercise any of the powers listed in Annex E, including increasing any penalty. When determining penalty the Appeal Board shall have regard to the penalty guidelines in Annex E to Part 3.
9. **Costs and Fines**
- a. **Costs.** Where the result of a Disciplinary Enquiry of a Club or of the HPA or of an appeal to the Appeal Board is a finding of Misconduct on the part of a Party Charged the relevant Board may require the Party Charged to pay any direct costs occasioned to the Club or the HPA including, but not limited to, the hiring of rooms for hearings; the reasonable charges and expenses of Board members; witness expenses and the fees of experts or third parties engaged in the hearing or the enquiry process including legal fees. The Club Board, HPA Board or Appeal Board shall have power to assess such costs themselves, with or without assistance, or to appoint a third party to do so. The power to order a Party Charged to pay

a sum in respect of such costs must be exercised within six months of the Board in question. An order of costs may be overturned by an HPA Board or an Appeal Board, as the case may be, where there is an appeal against a finding or penalty as provided for above but not otherwise.

b. Fines.

- (i) In addition to any action taken pursuant to Regulation 9.b.(v) below, if a fine is not paid within seven days the Party Charged will be automatically suspended as set out in Appendix 5 1.d until it is paid or, if already suspended, that suspension will be increased by the number of days beyond seven that the fine is left unpaid, unless the Party Charged is able to satisfy the Stewards that there was good reason (e.g. incapacity due to illness or accident) for the delay in payment.
- (ii) Where a sum in respect of fines is overdue as at 30th September or becomes overdue thereafter the period of automatic suspension shall continue or commence from the following 1st May and last for as many days as the sum was overdue for payment.
- (iii) The automatic suspension for non-payment of fines provided for in above shall apply with due alteration to any fines imposed or confirmed by the Appeal Board and to any sum ordered by any Board to be paid in respect of costs if such sum is not paid within 14 days of notification.
- (iv) Interest at 3% per month is due for every month or part month during which a fine or costs remain unpaid for more than 7 or 14 days respectively, and any suspension will remain in force until the correct amount of interest is paid in full on any overdue payment of fines or costs.
- (v) Notwithstanding and in addition to the application of suspensions and the accrual of interest provided for in these Regulations, a sum ordered to be paid by way of fines or costs which remains unpaid for 7 days or 14 days respectively will constitute a debt as between the Party Charged and the HPA and shall be recoverable as such in the Courts by action plus interest as provided for in these Regulations.

10. Suspensions.

- a. **Club.** Clubs may award specific match bans and suspend a player at their own club for as long as their own rules allow. A club may request the HPA to extend automatically a club suspension for up to 2 weeks to all affiliated clubs, and to any private ground where a tournament is being conducted by an affiliated club. The suspended player shall have a right of appeal to the Stewards but the suspension shall not be lifted pending any appeal.
- b. **National.** Clubs shall not allow any person who is subject to a suspension imposed by the HPA under these Regulations to play polo at their club or at any private ground where any game is being conducted under their auspices during any period when the suspension is operative except and to the extent that the express terms of the suspension otherwise allow.
- c. **International.** Any player who has been suspended by another national association and where suspension has been notified to the HPA, will not be allowed to play in the UK or Ireland for the period of their suspension except with the permission of the Stewards. Any suspension awarded by the HPA shall normally be effective in affiliated countries, the USA, Argentina and other member countries of FIP.

11. Past Members, Clubs and Associations. The disciplinary provisions in this Annex including without limitation any power to impose penalties and to award costs shall continue to apply and to be binding on any entity or person who has been an Affiliated Club or Association or Associate Member of any category or any person who has by these Regulations been deemed to be subject to them in respect of any matter occurring, arising or attributable to a time when such a Club or person was subject to these Regulations notwithstanding that any relevant period of membership shall have subsequently elapsed or they may have subsequently resigned or purported to resign.

12. Persona non Grata. The HPA acting by the Chief Executive with the concurrence of the HPA Chairman and the Chairman of the Disciplinary Committee of the HPA (any of whom may substitute a Steward of the HPA in their place should they consider it appropriate to recuse themselves) shall have power to declare a person who is not at the time bound by these Regulations to be 'Persona non Grata' which shall mean that the said person shall be ineligible to join the HPA as an Associate Member where in their absolute discretion they consider such a restriction is desirable in the interests of the game of polo or the HPA. The HPA shall when making the declaration inform the person concerned of all material facts on which the decision has been based. Such a declaration may be made for a fixed or an indefinite period. Affiliated Clubs shall not allow a person against whom such a declaration is in force to play, coach or officiate in any match or practice chukkas at its own grounds or which they may conduct elsewhere, nor may they employ or permit that person to act in any capacity associated with playing polo at their Club. The person made subject to such a declaration and any Affiliated Club aggrieved by it may appeal to an Appeal Board nominated in accordance with para 8.g. and conducting itself in accordance with these regulations where he/she or it disputes the material facts asserted by the HPA or alleges that the declaration either at all or as to length is one which no reasonable HPA Board could make in the interests of polo or the HPA. A person or Affiliated Club wishing to appeal must apply in writing to the Chief Executive within 14 days of being notified of the declaration and by doing so submits himself or itself to the powers of the Appeal Board in relation to Costs under paragraph 9 and agrees to the HPA's right to recover any sums awarded in exercise of such powers by action through the Courts as described in para 9. b(v).

13. Standard of Proof. Where a matter is required to be established to the satisfaction of any Board it shall be established on the balance of probabilities. i.e more likely than not.

ANNEX B

PREPARATION AND BRIEF FOR MEMBERS OF A DISCIPLINARY BOARD

1. **General.**
 - a. This brief is written primarily for HPA Disciplinary Hearings but the general principles shall apply to all Hearings unless otherwise stated. They have been drawn up so as to ensure that all are conducted in a fair manner. No Hearing shall be deemed invalid by reason only of the HPA or a Club adopting an alternative procedure. The HPA is not bound by any enactment or rule of law relating to the admissibility of evidence before Courts of Law and have discretion to make such costs orders as they think fit arising from the conduct of any hearing whatever their final decision concerning Misconduct.
 - b. A room should be set aside for the hearing with a long table for the Board to sit beside each other and chairs opposite for the accused, any friend, the witness and a table and chair for the secretary taking notes on the proceedings. Another room should be set aside for the witnesses. Coffee and biscuits for all are appreciated.
2. **Preparation by Members of a Board.**
 - a. Read **Part 3** of the Blue Book and take it with you.
 - b. Make sure you understand the charge(s) and have read the evidence.
 - c. Focus on the alleged misconduct in the charges, identify the relevant issues and the evidence which relates directly to the incident that has given rise to the charge.
 - d. List the main issues you need to resolve and facts you need to clarify from each witness and the party charged.
 - e. Highlight any inconsistencies in the written evidence.
3. **Brief to the Board by the Chairman.** When the Board has convened, check that the members of the Board understand their duty and the procedure and then:
 - a. State that the proceedings and all papers are private and all parties attending an enquiry should respect the confidentiality of the proceedings. This provision is not intended in any way to constrain what may be included in the notice of the result to the HPA.
 - b. Consider throughout whether the procedures adopted prior to the hearing have been fair to the Party Charged and clarify any matters of alleged unfairness. If the Party Charged presents a reasonable case of unfairness, then the enquiry should be adjourned to enable the person charged a reasonable opportunity to study the evidence.
 - c. Check that all Board members have a copy of the charge sheet, statements and a copy of the Blue Book and that they have read and understood the main issues.
 - d. State that no evidence is admissible except when the Party Charged is present.
 - e. Each step is taken separately and follows the sequence below; for example, do not question the Party Charged during a witness statement.
 - f. Avoid the introduction of irrelevant matters or hearsay evidence and do not allow any witness to be led; this includes by any member of the Board or the Party Charged
 - g. If any member of the Board wishes to seek advice at any time from someone who is not a member of the Board (such as a vet or the Chief Executive) this must only be done in the presence of the Party Charged. In principle, any discussion with a non-member of the Board must be in his presence. There should be no secret meetings.
 - h. Confirm whether the Party Charged will be legally or non-legally represented. If accompanied by a Friend, that Friend will normally not be permitted to address the Board but can help him to ask or answer questions and with translation. See **Part 3** Para 3.f (Club) and Para 6.k (HPA)
 - i. Nominate a Board member as your runner and when ready invite him to tell the Party Charged to enter and sit down.
4. **The Hearing Part 1 - The Charge**
 - a. Welcome the Party Charged formally but in a friendly manner and introduce the Board, the Prosecuting Officer if an HPA Hearing and any others present. Inform him if an electronic or digital recording is being made of the Hearing.
 - b. Read out the name of the Party Charged and the Charge. You may need to expand upon the incident in question by means of short description and explain why it is considered to be a possible case of Misconduct. Where members of the Board themselves witnessed the incident they should say so and describe what they saw.
 - c. Then say: "We the Board, have the authority to:

- (i) Dismiss the Case
 - (ii) Warn you as to your future conduct
 - (iii) Impose a penalty up to (See **Annex E**)
 - (iv) Refer the case to the HPA If a Club Board.
- d. Confirm that the Party Charged:
- (i) Is content with the Board.
 - (ii) Has received all written evidence, papers, videos/DVDs on which the Board intends to rely together with a list of any witnesses being called with a summary of their evidence. For an HPA Hearing this should be at least three clear working days before the date of the Hearing.
 - (iii) Understands the charge and has had a reasonable time to deal fairly with the matters raised.
- e. Then ask him: Do you plead ‘Guilty’ or ‘Not Guilty’ to the charge? It may be established before the Hearing whether the Party Charged intends to plead Guilty, and if so, the Chairman should be informed. This does not preclude a Party Charged changing his plea but a change may affect costs, if awarded.
5. **The Hearing Part 2 – Evidence for the Prosecution**
- a. Even if the Party Charged has pleaded Guilty it is normal for the Witnesses to be called so that they can be questioned by the Board and the Party Charged to establish the circumstances and seriousness of the offence.
 - b. The Party Charged may require the attendance of any HPA Official whose report is included in the supporting papers, but the Party Charged must make clear at least 24 hours before the hearing that he wishes an official to attend for questioning concerning his report. Should the Party Charged fail to do so and it becomes apparent at the hearing that he does not accept the accuracy of the report in some material respect the Board will normally require the Party Charged to meet any additional costs caused by an adjournment or other consequence.
 - c. The Prosecution Officer should start by reading out the reports by officials who are prosecution witnesses if they are not present and then call in the other prosecution witnesses one at a time. He will invite each witness to read his statement and ask him to confirm the accuracy of the report and if the witness has anything to add. For a Club Hearing, this procedure will be carried out by the Chairman.
 - d. The Board will assess the written evidence in the light of any oral evidence bearing in mind that the written statements would have been made nearer to the date of the incident(s) and so the events were fresher in the witness’ mind.
 - e. The Prosecuting Officer and the Board may then question the witness.
 - f. The Party Charged may then question the witness.
 - g. After giving evidence the witnesses should remain outside as they may be called again.
6. **The Hearing Part 3 – Evidence for the Defence**
- a. The Chairman should invite the Party Charged to read his statement (he may read it for him) and ask him if he has anything further to add. The Prosecuting Officer and the Board may then ask questions of the Party Charged. If any member of the Board has a theory as to what happened or what took place then this must be put to the Party Charged so that he can confirm, deny or expand upon it.
 - b. The Party Charged may then call witnesses for his defence. The Prosecuting Officer and the Board may ask questions of the witnesses.
 - c. If further information is required, then a witness may be recalled and questioned further in the presence of the Party Charged.
 - d. When the last witness has left the room the Prosecuting Officer will summarise the case. For a Club Hearing, this should be done by the Chairman.
 - e. The Chairman should then invite the Party Charged to summarise his case, reminding him that he should not stray into a plea of mitigation.
 - f. For an HPA Hearing, you may at this stage raise any technical or legal matter including any issue concerning the interpretation or application of the Regulations, Directives or Rules of Polo with any HPA Official or member of the HPA secretariat, or the Board’s legal adviser, if any, in the presence of the Party Charged and his representative who will be given the opportunity to make a submission in respect of any matters so raised.
 - g. The Chairman should then ask the Party Charged and the Prosecuting Officer to leave the room and if content with the evidence discharge the witnesses at this stage.
7. **The Hearing Part 4 – Finding**
- a. If the Party Charged pleaded Not Guilty then the Board must make the decision as to the verdict based on the evidence which they will have heard. Any verdict must be reached by the Board amongst themselves only. A Board does not have to be sure beyond a reasonable doubt that misconduct has occurred; it has merely to be of the opinion that it is more probable than not that what is alleged to support the charge

happened, and that it amounts to misconduct. The Board will attempt to reach an unanimous decision but a simple majority will suffice and decisions reached shall be announced as the decision of the Board. Reasons given for the decision shall not include reference to any minority or dissenting view.

- b. Recall the Party Charged.
 - c. Announce whether the Board has found the Disciplinary Incident to amount to Misconduct, Guilty; if not the hearing will be declared closed, Not Guilty.
 - d. If Guilty you should give a brief summary of the reason for the decision of the Board based on the evidence heard by the Board during the Hearing.
 - e. You should then ask for the previous record of the Party Charged on disciplinary matters. Only those matters which have either been determined to a conclusion through a Club or HPA disciplinary process or have been recorded in writing as part of a Report Form or official letter or email and have not been refuted are admissible.
 - f. The Chairman should then ask the Party Charged to address the Board on any points which may mitigate the sentence or have a bearing on his conduct. This may include references that he is of good character.
 - g. The Party Charged is then invited to withdraw.
8. **The Hearing Part 5 – Review of Sentence**
- a. Any decisions as to the penalty to be awarded must be reached by the Board amongst themselves only. It is customary for the junior member of the Board to be asked for his decision first with the Chairman having the casting vote.
 - b. Decide in principle a suitable sentence based on **Annex E** (noting that these are guidelines only) for the misconduct offence, remembering the importance of sending out a deterrent message. It may be appropriate for an offence committed in polo played at the higher levels to be referred to Stewards and to attract punishments at the higher end of the guidelines.
 - c. Consider any other evidence which might either mitigate or increase the severity of that sentence. Account should be taken of whether the accused pleaded “Guilty” or “Not Guilty” and of his general demeanour throughout the hearing.
 - d. Should a club impose a ban on playing for a set period then the Board must agree as to whether the HPA will be requested to extend the ban country or worldwide.
 - e. Where the penalty is a ban from playing in the United Kingdom and it is uncertain as to whether this ban will be implemented in any country where that player may play then consideration should be given to ensuring that the ban from playing in the United Kingdom is of sufficient length to meet the justice of the case.
 - f. Consideration should also be given as to whether costs should be awarded against the Party Charged (see **Part 3** Para 9.a).
9. **Part 6 –Sentencing.** The Party Charged and the Prosecuting Officer are then recalled. The case in question may influence the order but the Chairman should cover the following:
- a. An outline of the offence and the sentence. If this includes any period of suspension, the Party Charged must be informed when and where the suspension shall apply.
 - b. The reasoning behind the sentence.
 - c. Whether any costs shall be awarded with reference to **Part 3** Para 9.a. Costs must subsequently be confirmed in writing.
- An HPA Board may reserve its decision and inform the Party Charged in writing within seven days.
10. **Part 7 – Post Hearing**
- a. **Record of Proceedings.** For a Club Disciplinary Hearing, a summary together with the verdict and sentence shall be forwarded to the Chief Executive of the HPA within four days of the Hearing.

ANNEX C

GUIDANCE NOTES FOR PARTY CHARGED

This guidance note is written primarily for HPA Disciplinary Hearings but the general principles shall apply to all Hearings unless otherwise stated.

1. **General.** If an incident is referred for a Disciplinary Hearing, a Board with a Chairman will be convened as soon as practicable. You will be notified of the time, date and place for the Hearing and the charge against you. You should address any queries to a club official or, if they are unable to answer your query, to an HPA official.
2. **Prior to the Hearing.**
 - a. You should receive all written evidence, papers, videos/DVDs on which the Board intends to rely, together with a list of any witnesses being called with a summary of their evidence prior to the hearing.
 - b. You must provide the Board with a list of any witnesses you intend to call, with a summary of their evidence and any other evidence you wish to rely upon.
 - c. You will be asked how you intend to plead. You will still be at liberty to change your plea before or during the proceedings but a change from 'Guilty' to 'Not Guilty' may be counted against you and the Board may require that you meet the costs of any adjournment
 - d. You should include any statements from other persons who you know will not be able to be present or relevant videos/DVDS under your control.
 - e. If you wish to question any Official whose report is included in the supporting papers, you must make this clear before the hearing; for an HPA hearing this must be at least 24 hours beforehand. Should you fail to do so and it becomes apparent at the hearing that you do not accept the accuracy of the report in some material respect you will normally be required to meet any costs incurred by reason of an adjournment or other consequence.
 - f. The Board may either decline to hear new evidence or evidence that has not been disclosed in time, or adjourn the enquiry. Any adjournment may increase costs.
 - g. You must check whether you can be legally or non-legally represented. If accompanied by a Friend, that friend will normally not be permitted to address the Board and can only help you to ask or answer questions and with translation. See **Part 3** Para 3f, 6k and 6l.

The HPA reserves the right to require the Party Charged to complete **Appendix 1** to this Annex at least 48 hours before the start of the Hearing. It may also be used for a Club Hearing.

3. **The Hearing.**
 - a. Except when the Board are considering their verdict and sentence you will be present throughout but if you fail to appear, the Board may proceed in your absence, or adjourn.
 - b. The proceedings will be recorded by a secretary. Should a tape or digital recorder be used you will be notified.
 - c. The Chairman will ask you to confirm:
 - (i) Your name.
 - (ii) That you accept the members of the Board and in particular that there is no conflict of interest.
 - (iii) That you understand the charge against you. If not then the Chairman will outline the events leading to the charge of misconduct.
 - (iv) That you have received copies of all the witness statements in good time so that you have been able to prepare your own defence and summon your witnesses.
 - (v) Your plea of 'Guilty' or 'Not Guilty'. A 'Guilty' plea will normally be looked at more favourably by the Board when it comes to sentencing if you are subsequently found 'Guilty'.
 - d. The Prosecuting Officer (in a Club Hearing this duty will be carried out by the Chairman) will then call his witnesses individually to read their statements and invite them to add to them if they so wish. If a witness is not able to be present he will read their statement. The Prosecuting Officer and the Board may question each witness after which you may do so.
 - e. The Chairman will invite you to read your statement (or read it for you) followed by any relevant written statements. You will then be invited to call any witnesses to speak in your defence. The Prosecuting Officer and members of the Board may question you and any of your witnesses immediately after you or they have spoken. You may question your witnesses but may not lead them
 - f. The Prosecuting Officer or the Board may recall any witness for further questioning which you may also do.

- g. Once all the evidence has been submitted, the Prosecuting Officer (or Chairman) will summarise the case. You will then be invited to speak in your defence. You should concentrate on the facts as outlined in the charge and avoid straying into a plea of mitigation i.e. references to character and passed good conduct etc.
- h. You and the Prosecuting Officer will be invited to leave. The Board will then consider the verdict. You will be recalled to hear the verdict. If 'Not Guilty' you will be dismissed without further ado. If 'Guilty' you will be asked to make a plea of mitigation. You will then be invited to leave again.
- i. The Board will then consider the sentence (see **Annex E** which lays down guidelines only) and any costs which they may impose. They will take into account your plea of mitigation and any previous record of a disciplinary nature which has been determined to a conclusion through an HPA or club disciplinary process.
- j. You will then be recalled to be informed of the sentence and of any costs (see **Part 3** Para 9.a) imposed. An HPA Disciplinary Board may reserve its decision in which case you will be informed of the outcome within seven days
- k. For Right of Appeal see **Part 3** Para 8.

POWERS OF A DISCIPLINARY BOARD AND GUIDELINES ON PENALTIES

1. **Powers of an HPA Board.** An HPA Board may impose the following and when doing so will take into account any penalty, including any period of suspension, imposed by a Club, and the Guidelines below:
 - a. A warning to any Member or Club;
 - b. A censure on any Member or Club; and/or
 - c. A fine up to a maximum of £50,000 on any Member or Club; and/or
 - d. A ban on any Member from playing in any match or practice chukka at or conducted by an Affiliated or Provisionally Affiliated Club in the UK or Ireland for such a period up to three years as the Board in their absolute discretion may determine, and the Board has full power to specify the period or periods when the suspension shall take effect and to suspend a suspension from taking effect for such time and upon such conditions as it thinks fits; and/ or
 - e. A removal or suspension of an official coaching qualification from any Member which shall include coaching at an Affiliated or Provisionally Affiliated Club in the UK or Ireland for a period up to three years on the same basis as set out in Para 1.d above.
 - f. A suspension of the affiliation of any Club whether or not coupled with a fine under Para 1.c above; or
 - g. Expulsion of any Member or Club.

When imposing any penalty, the Board shall take into account:

- (i) Any penalty, including any period of suspension, imposed by a Club.
- (ii) Previous Offences. Only previous offences which have either been determined to a conclusion through a Club or HPA disciplinary process or have been recorded in writing as part of a Report Form or official letter or email and have not been refuted should be admissible. The HPA reserves the right for some cases to remain admissible for longer, especially concerning welfare of ponies but, unless this right is reserved at the time the original offence is penalised, offences shall be deemed to be spent after 2 or 5 years as follows:

• Offences acknowledged as a result of a report form or letter:	2 years.
• Offences dealt with at Club level:	2 years.
• Offences dealt with at HPA level:	5 years.
• Offences acknowledged concerning welfare of ponies:	5 years

2. **Powers of a Club Board.** It is important that the rules of a Club give a Board the necessary powers to award the desired penalties, should it wish to do so. Any affiliated or provisionally affiliated Club has the power to suspend any member of the HPA from playing or entering that Club for any period of time although any such suspension may be the subject of an appeal to the HPA. Generally, Clubs are encouraged to award bans which shall only apply at the Club concerned but the HPA may be requested or decide to extend the ban to all Clubs or worldwide. The timing of any suspension or ban may take account of the individual's polo playing programme but shall first take effect in the same tournament in which the offence was committed and then for such matches as the Board may specify. A fine may also be included if considered appropriate but any fine shall be payable to the HPA and the rules of the Club must allow for a fine to be imposed. An offence will be spent after two years.

3. Guidelines

- a. In order to help to provide consistency, below are some guidelines for the different offences that are considered most likely to have resulted in a finding of misconduct. The offences are described in general terms and in each case a warning may be given.
